Sierra.ev

with 4WD Dual Motor

legend — hypercharged

A design that stood apart.

A presence that felt different.

And a way of seeing the road that was entirely its own.

Now electric.

More capable.

More connected.

More Sierra than ever.

Introducing —

Sierra.ev

legend — hypercharged

More range.
More capability.
More reasons to see what happens next.

With electric performance, intelligent capability and experiences designed around every journey.

Sierra.ev — gives you more reasons to keep going.

luxury hypercharged

The journey has always been part of the reward. Sierra.ev simply gives you more ways to enjoy it.

Legendary Design

Legendary silhouette.
Electric soul.

Stylish Silhouette

Every line sculpted for elegance and dominance

Horizon View Triple Screen Infotainment Experience

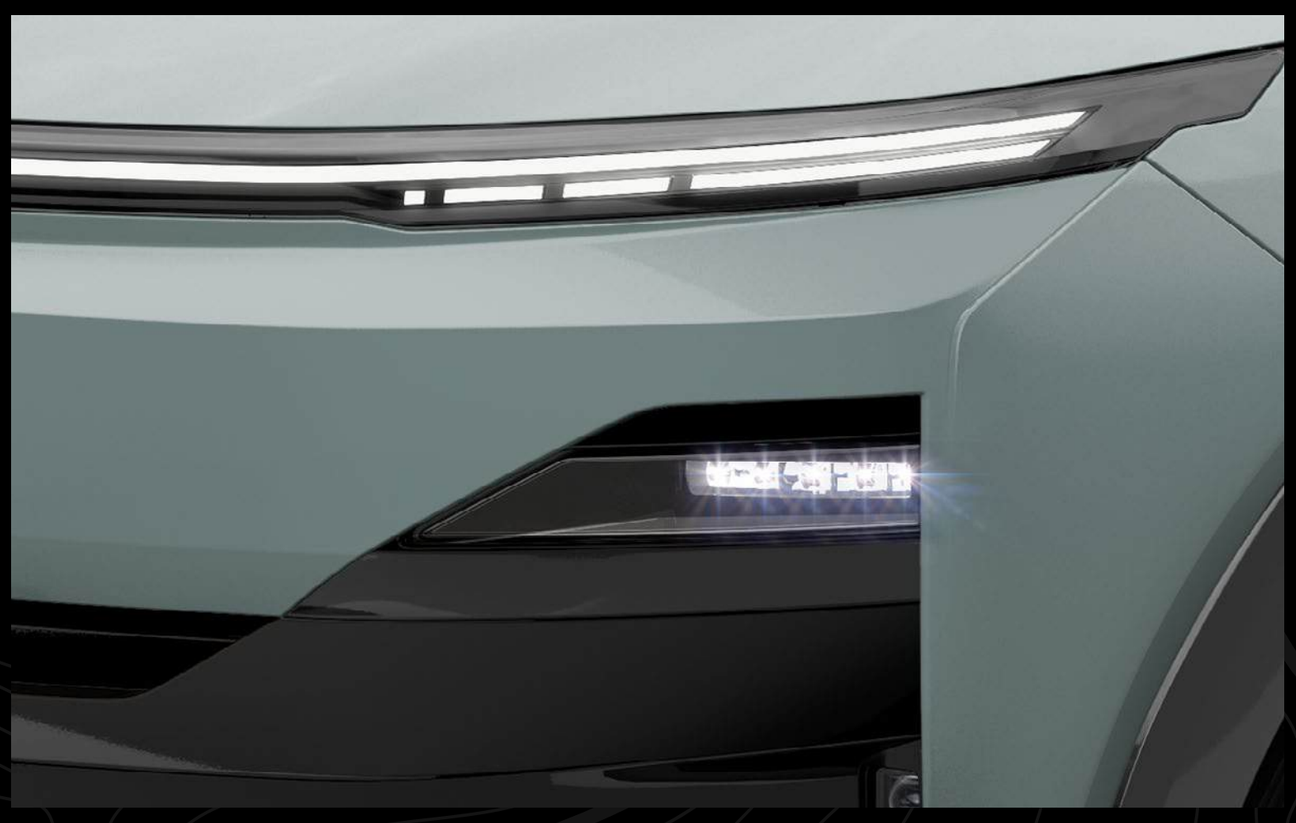
Break past the basic. Three screens, one immersive experience.

Clamshell Tailgate

Intelligent hinges. Opens and closes with precision. Pure sophistication.

Flush Door Handles with Welcome Light

Welcomes you in style, and signs off just as confidently.



Night Saber Bi-LED Booster Headlamp

Bright. Focused. Ready to take on the night.

Floating Door Handrest

Floating design, seamless integration. Your armrest, elevated.

R19 Alloys

Big, bold, and planted. Built to rule every road

Hidden Rear Wiper

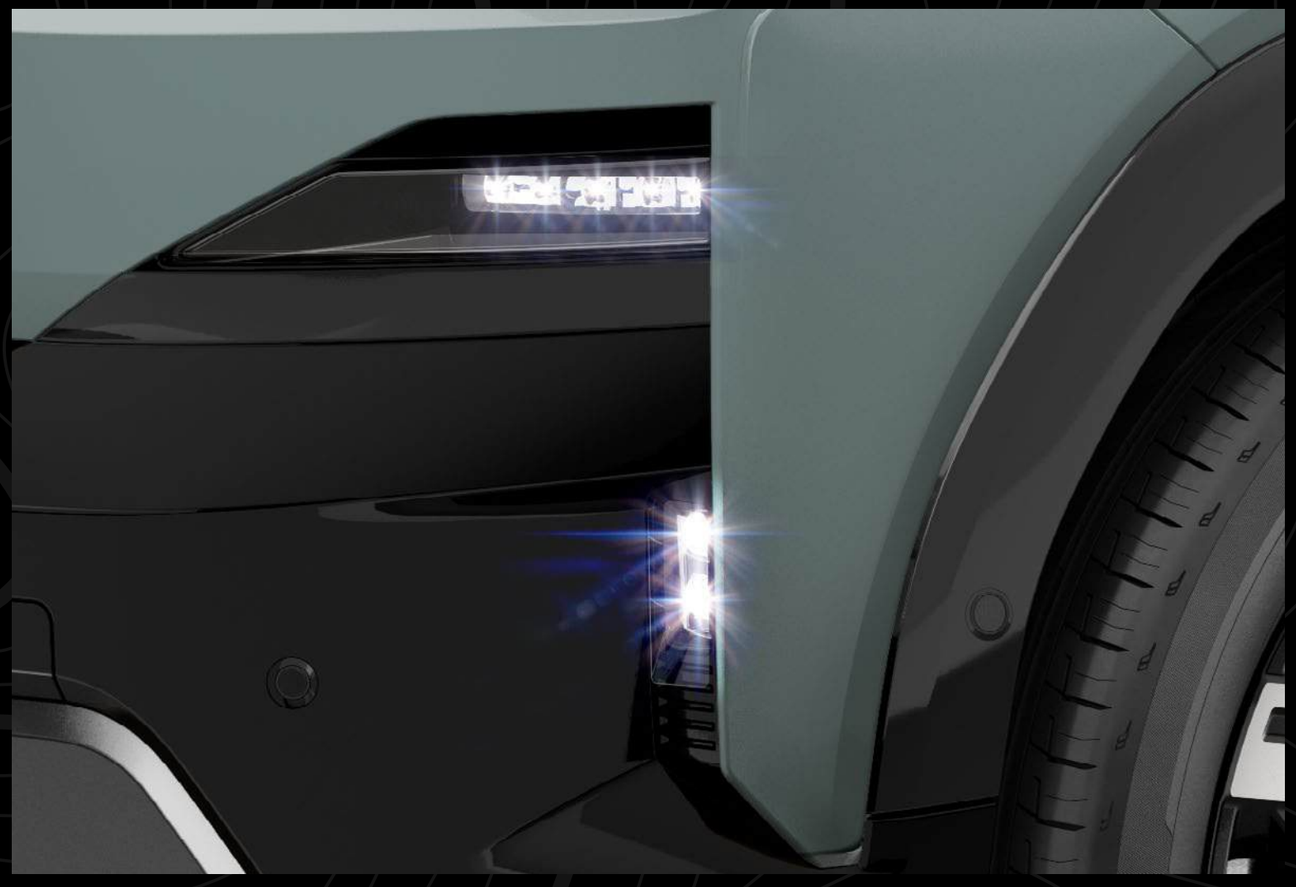
Hidden efficiency. Clears water and dirt without compromise to design.

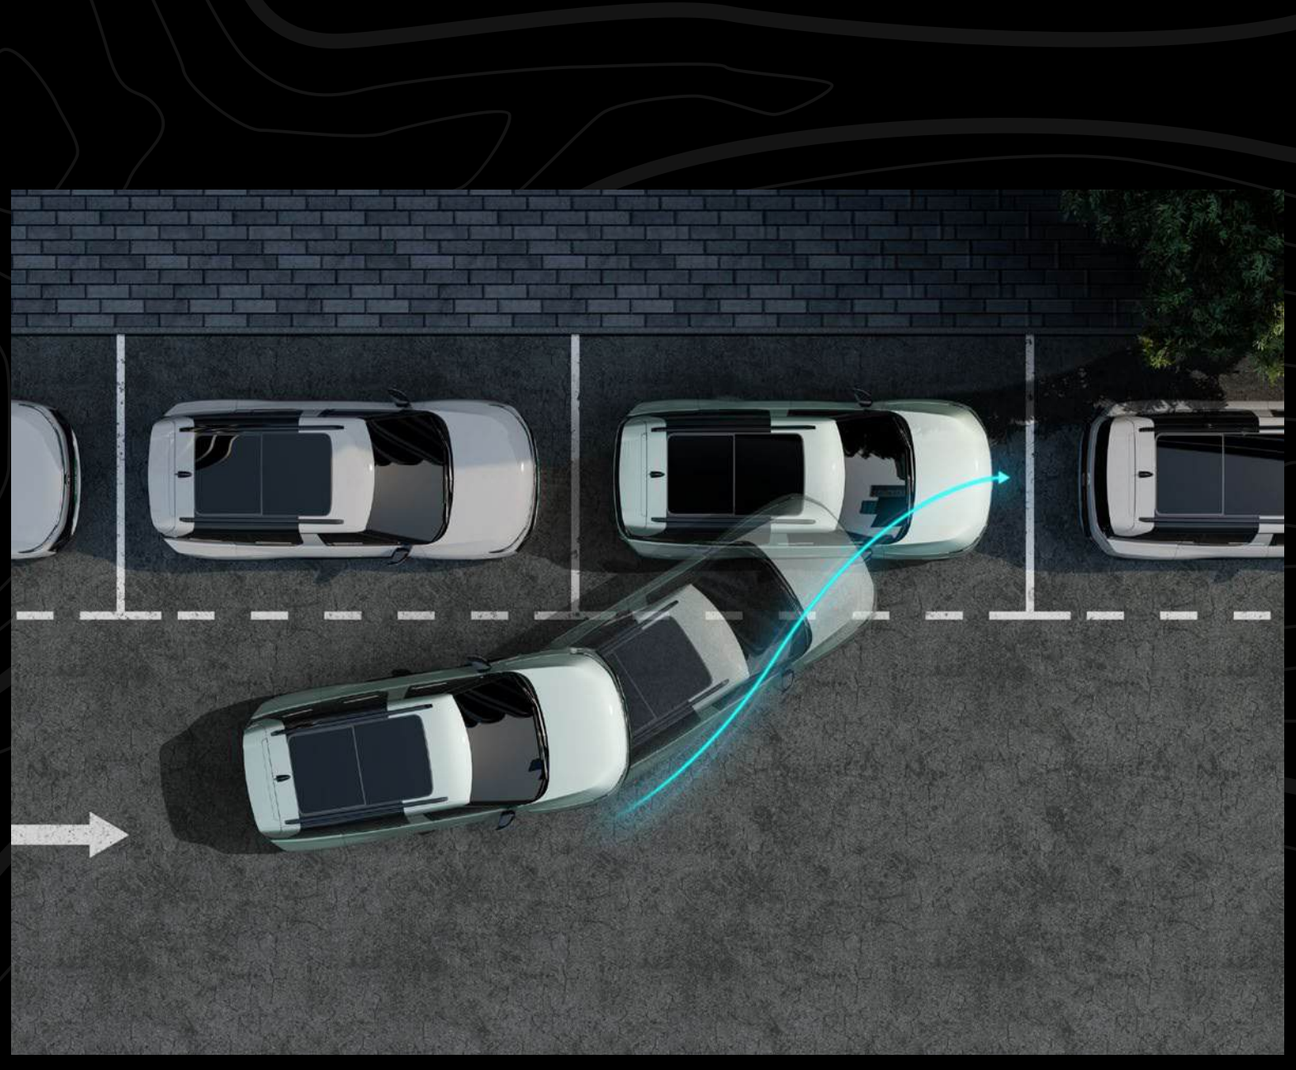
Multi Mood Ambient Lighting

Set your mood. Dynamic ambient lighting adapts to every journey.

Front Fog Lamps

Visibility perfected. Fog lamps illuminate ahead and adapt to your steering. Darkness and curves become navigable.



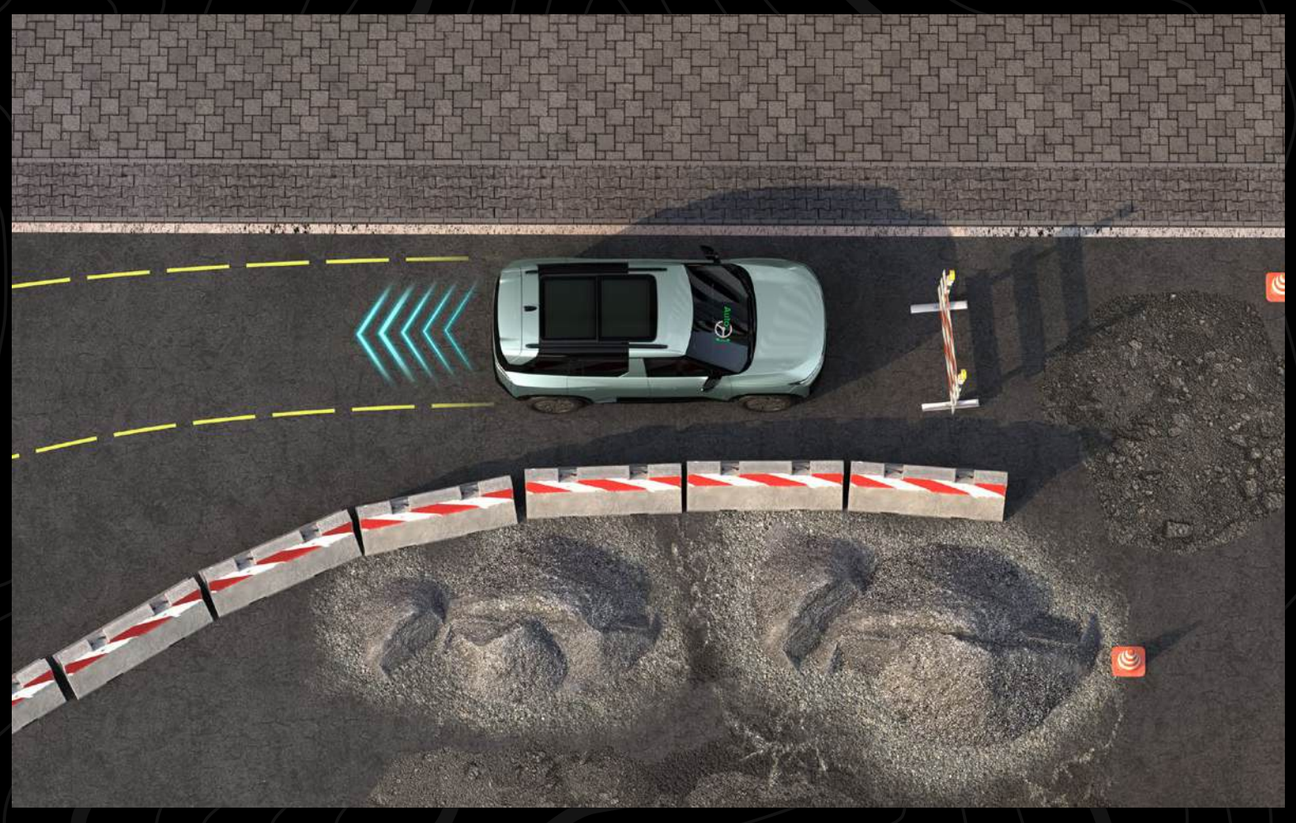


e-Valet — Auto Park Assist[α]

Advanced autonomous parking assistance that can park, summon, and retrace its path, making every maneuver smarter and stress-free. Sensors guide you in. Automated parking removes the complexity.

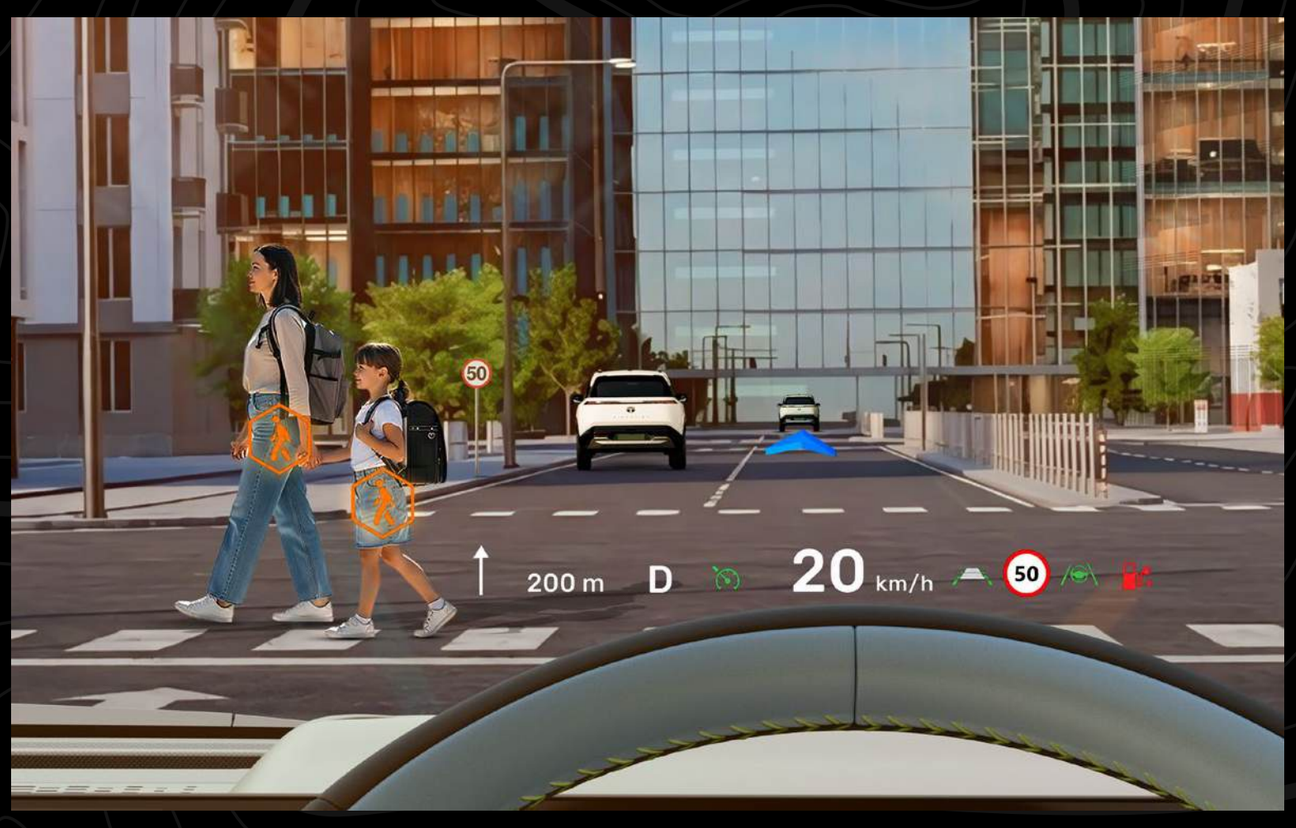
Summon Mode[β]

Tap and your vehicle comes to you. Autonomous parking that obeys.



Reverse Assist[γ]

Sensors assist when reversing. Confidence in tight spaces.



HypAR HUD with 19 Features

AR Heads-Up Display projects real-time guidance onto the windshield for a safer, more intuitive drive.

Thigh Support Extender

Adjusts to your comfort, supports your every drive.

Front Ventilated Seats

Stay cool and comfortable with ventilated seats designed to keep you refreshed on every journey.

6 Way Powered Driver Seat with Memory & Welcome

6-way powered precision with memory. Your ideal position, instantly.

4 Way Powered Co-Driver Seat

Experience enhanced comfort with power-adjustable seating, allowing the co-driver to effortlessly personalize their ideal seating position.

Extendable 8 Way Sunvisor with Illuminated Mirror

Extends to block sun. Flips to reveal mirror. Control light and reflection on your terms.

Front Sliding Armrest

Glides smoothly. Storage and comfort integrated into one clever design.

Relax Mode

Ambient lighting, climate, infotainment orchestrated for complete relaxation.

60:40 Rear Seats with Recline

Each side folds independently. Seat five or haul cargo. Recline adds versatility.

Rear Armrest with Cup Holders

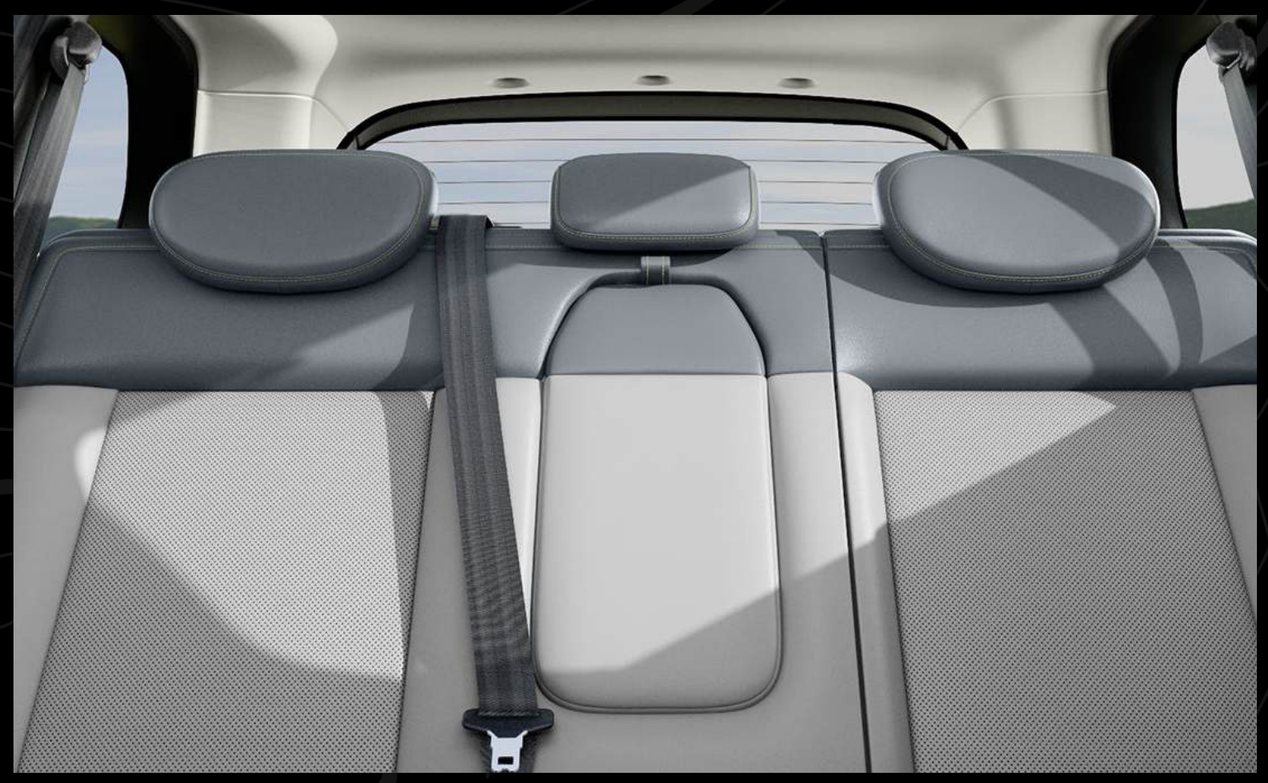
Keeps drinks steady. Armrest with integrated cup accommodation.

Boss Mode

Recline, relax, unwind. Rear occupants get VIP treatment.

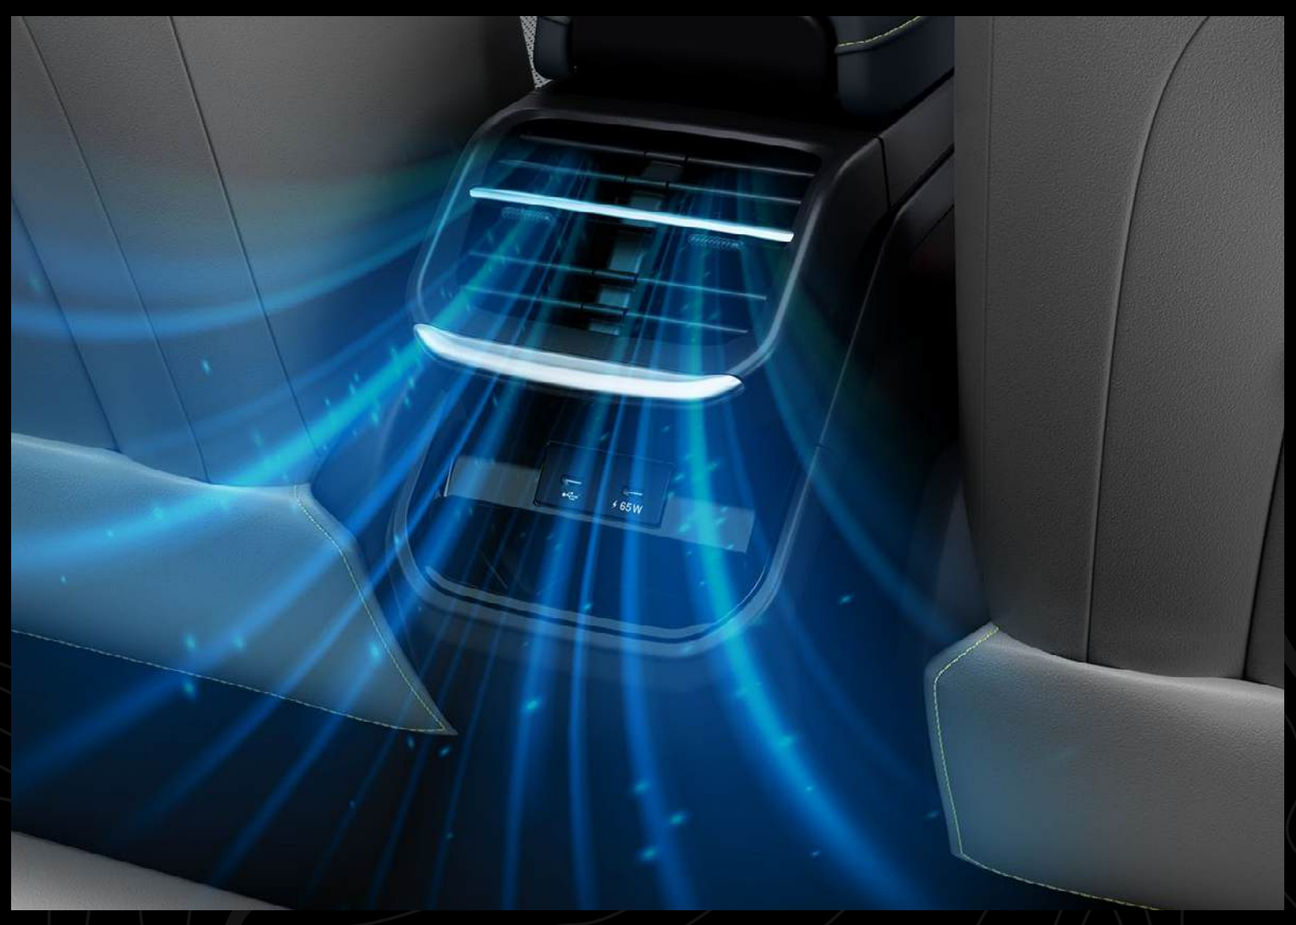
Rear Window Sunshade

Privacy when you need it. Sunshade controlled from your seat.



3 Adjustable Headrests in Rear

Three adjustable points. Head and neck supported perfectly.



Rear AC Vents

Individual vents ensure rear comfort.

Dual Zone Fully Automatic Temperature Control (DATC)

Two independent zones. Each seat maintains its own perfect temperature.

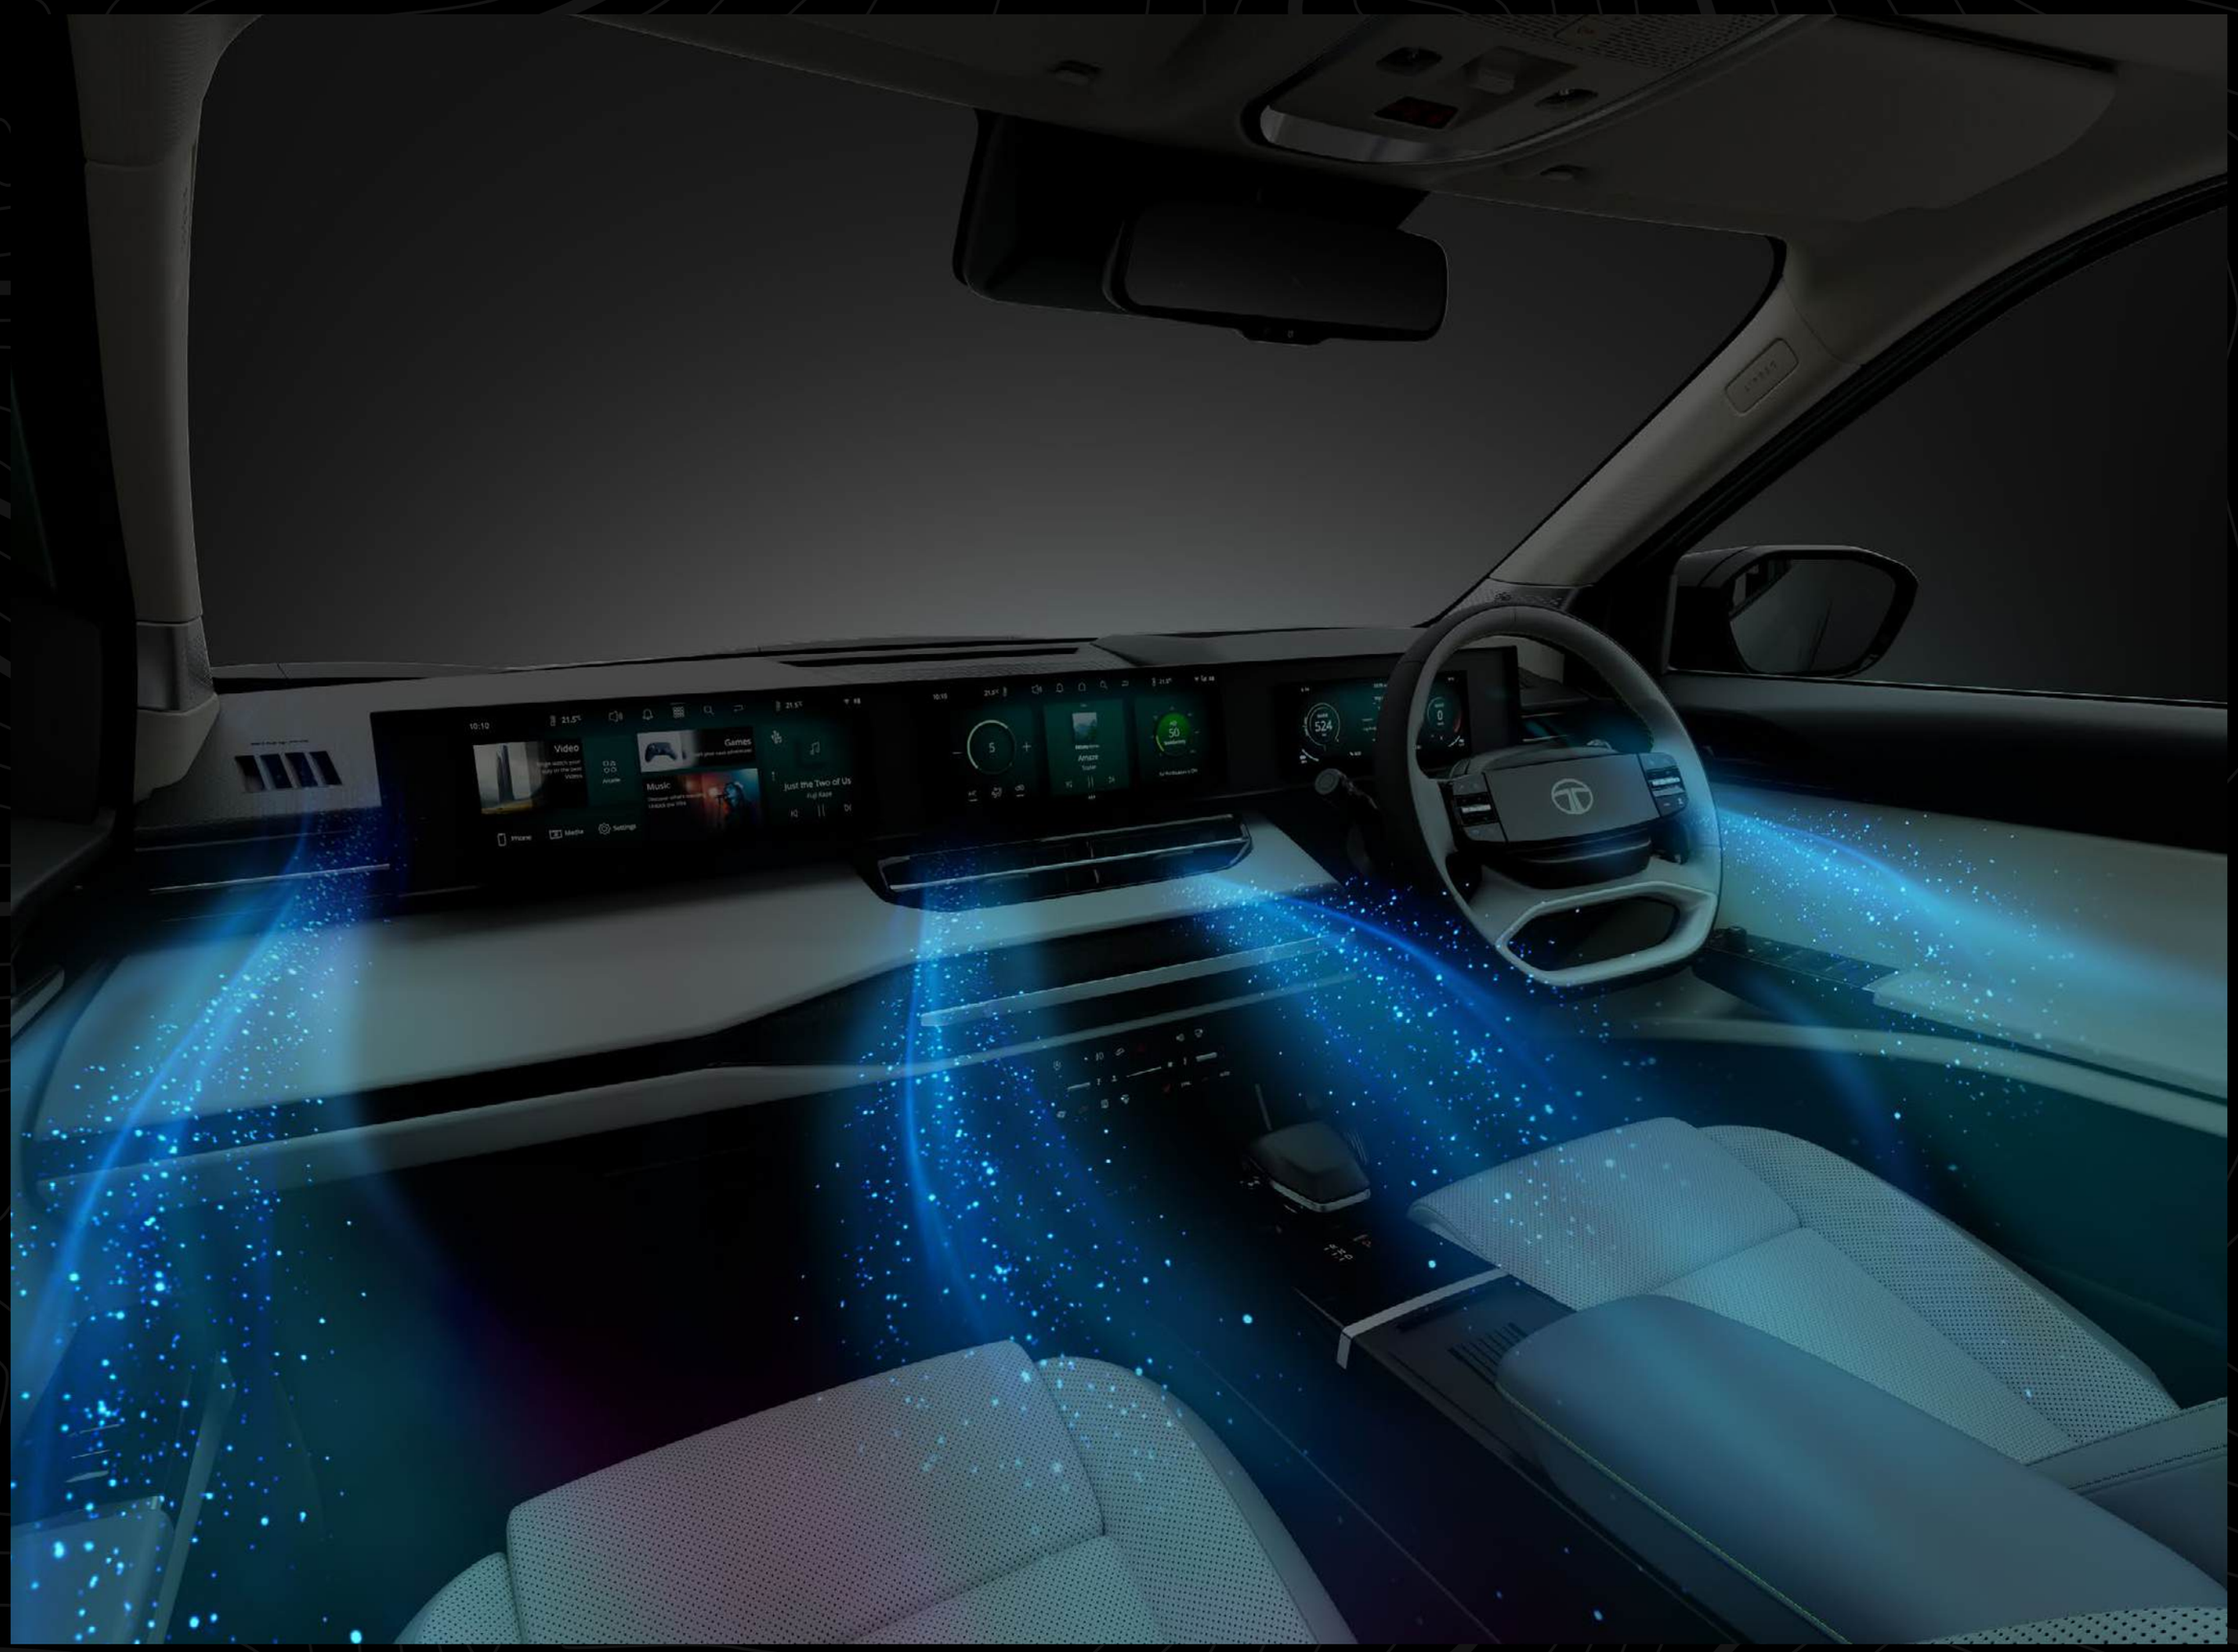
Panoramax

Segment’s largest sunroof with expansive windows to create an open, uplifting lounge feel.

PureSpace

BreatheIQ Purifier with Ioniser

Advanced purification technology meets ionisation. Transforms your cabin air continuously.



AQI Display

Real-time air quality monitoring on your screen.

performance — hypercharged

The interesting route is rarely the obvious one. Good thing Sierra.ev comes prepared.

QWD with Dual Motors Setup

Engineered for every adventure, the dual motor setup delivers intelligent all-wheel drive, enhancing grip, stability, and confidence on any surface.

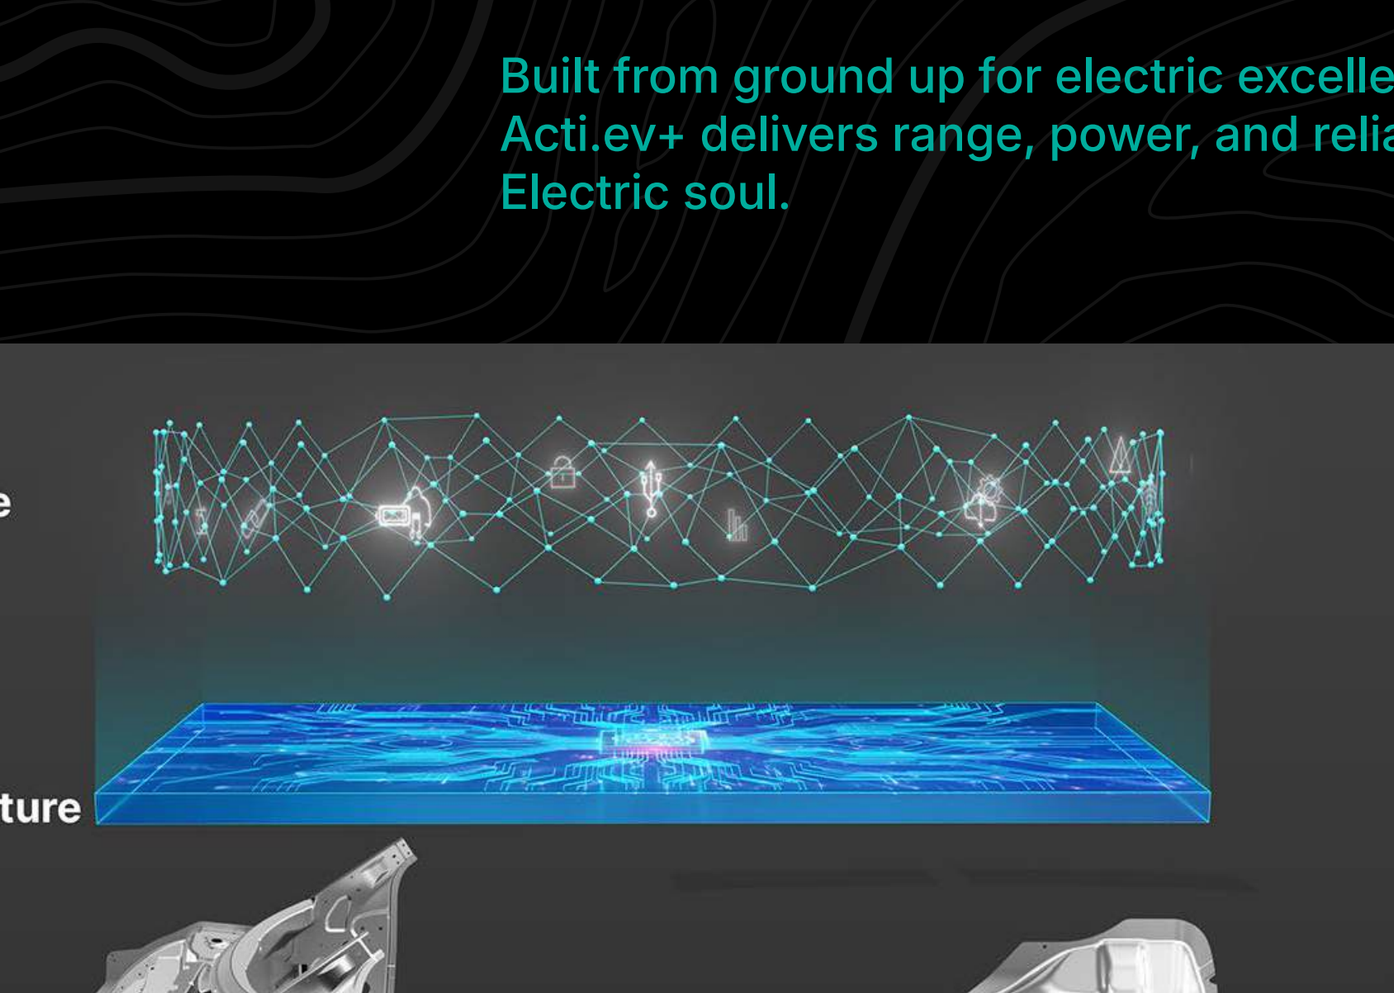
Acti.ev+ Architecture

Built from ground up for electric excellence. Acti.ev+ delivers range, power, and reliability. Electric soul.

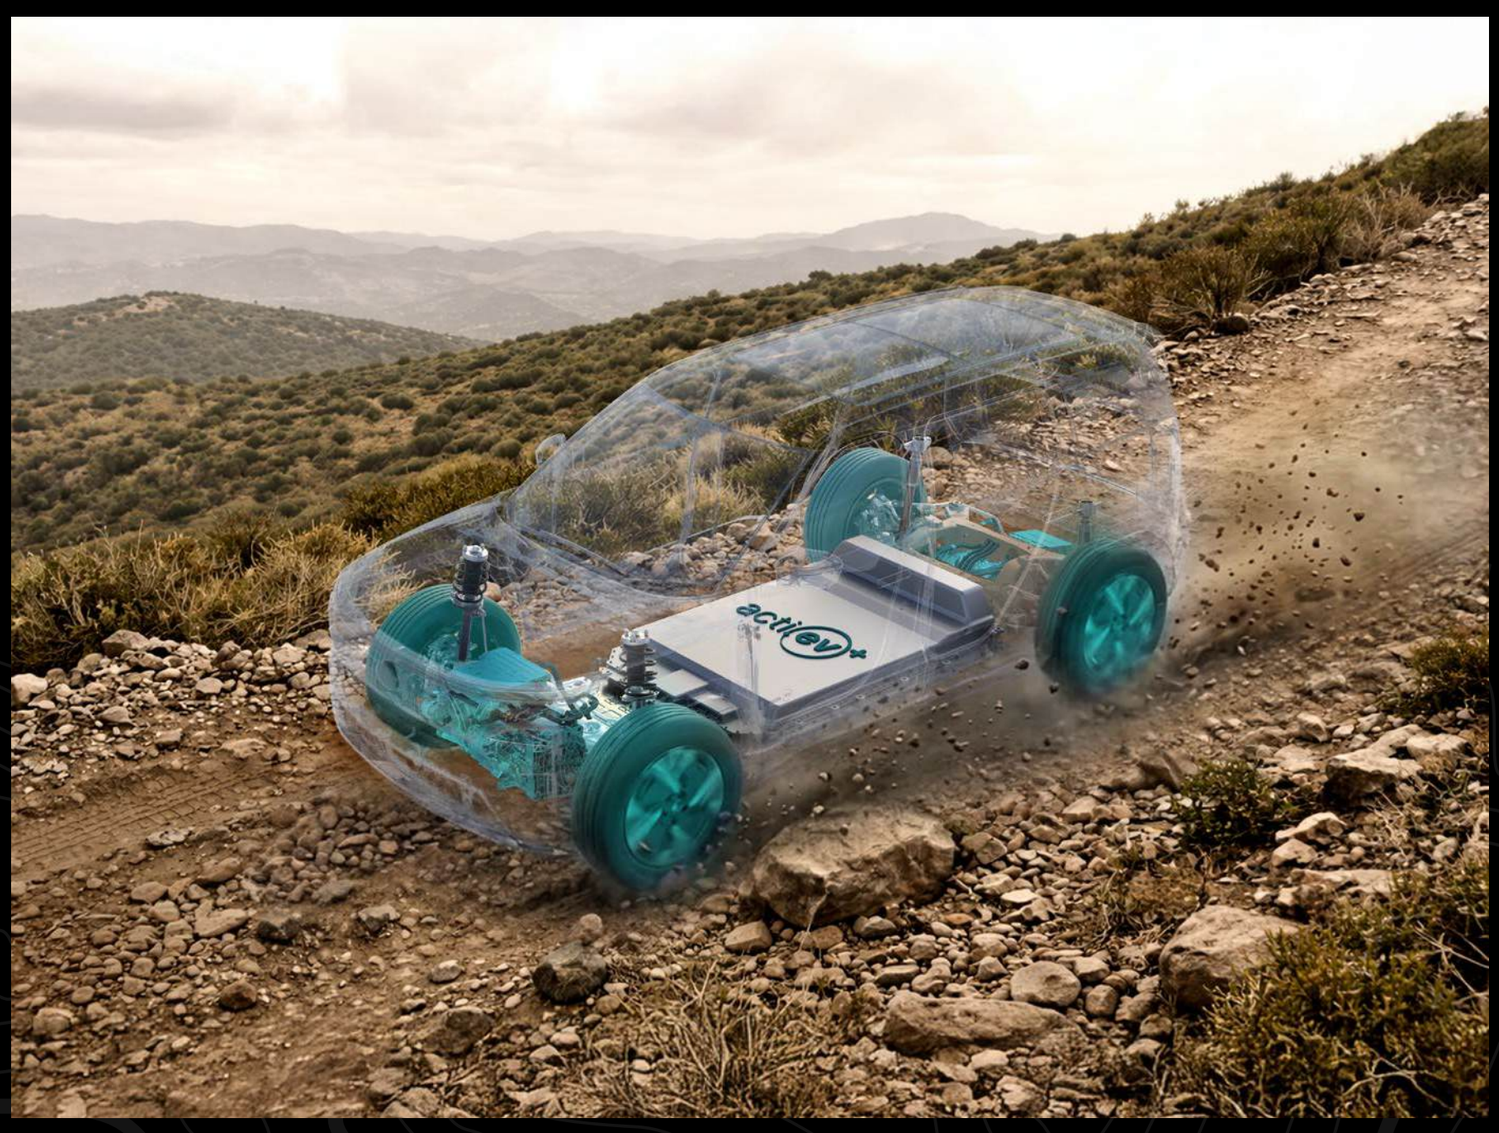
Layer 4 -Cloud architecture

Layer 3 -Electrical architecture

Layer 2 -Chassis



Layer 1 -Powertrain



504 Nm Torque

Torque that responds instantly. Overtake. Accelerate. Conquer. Your command, executed.

Boost Mode

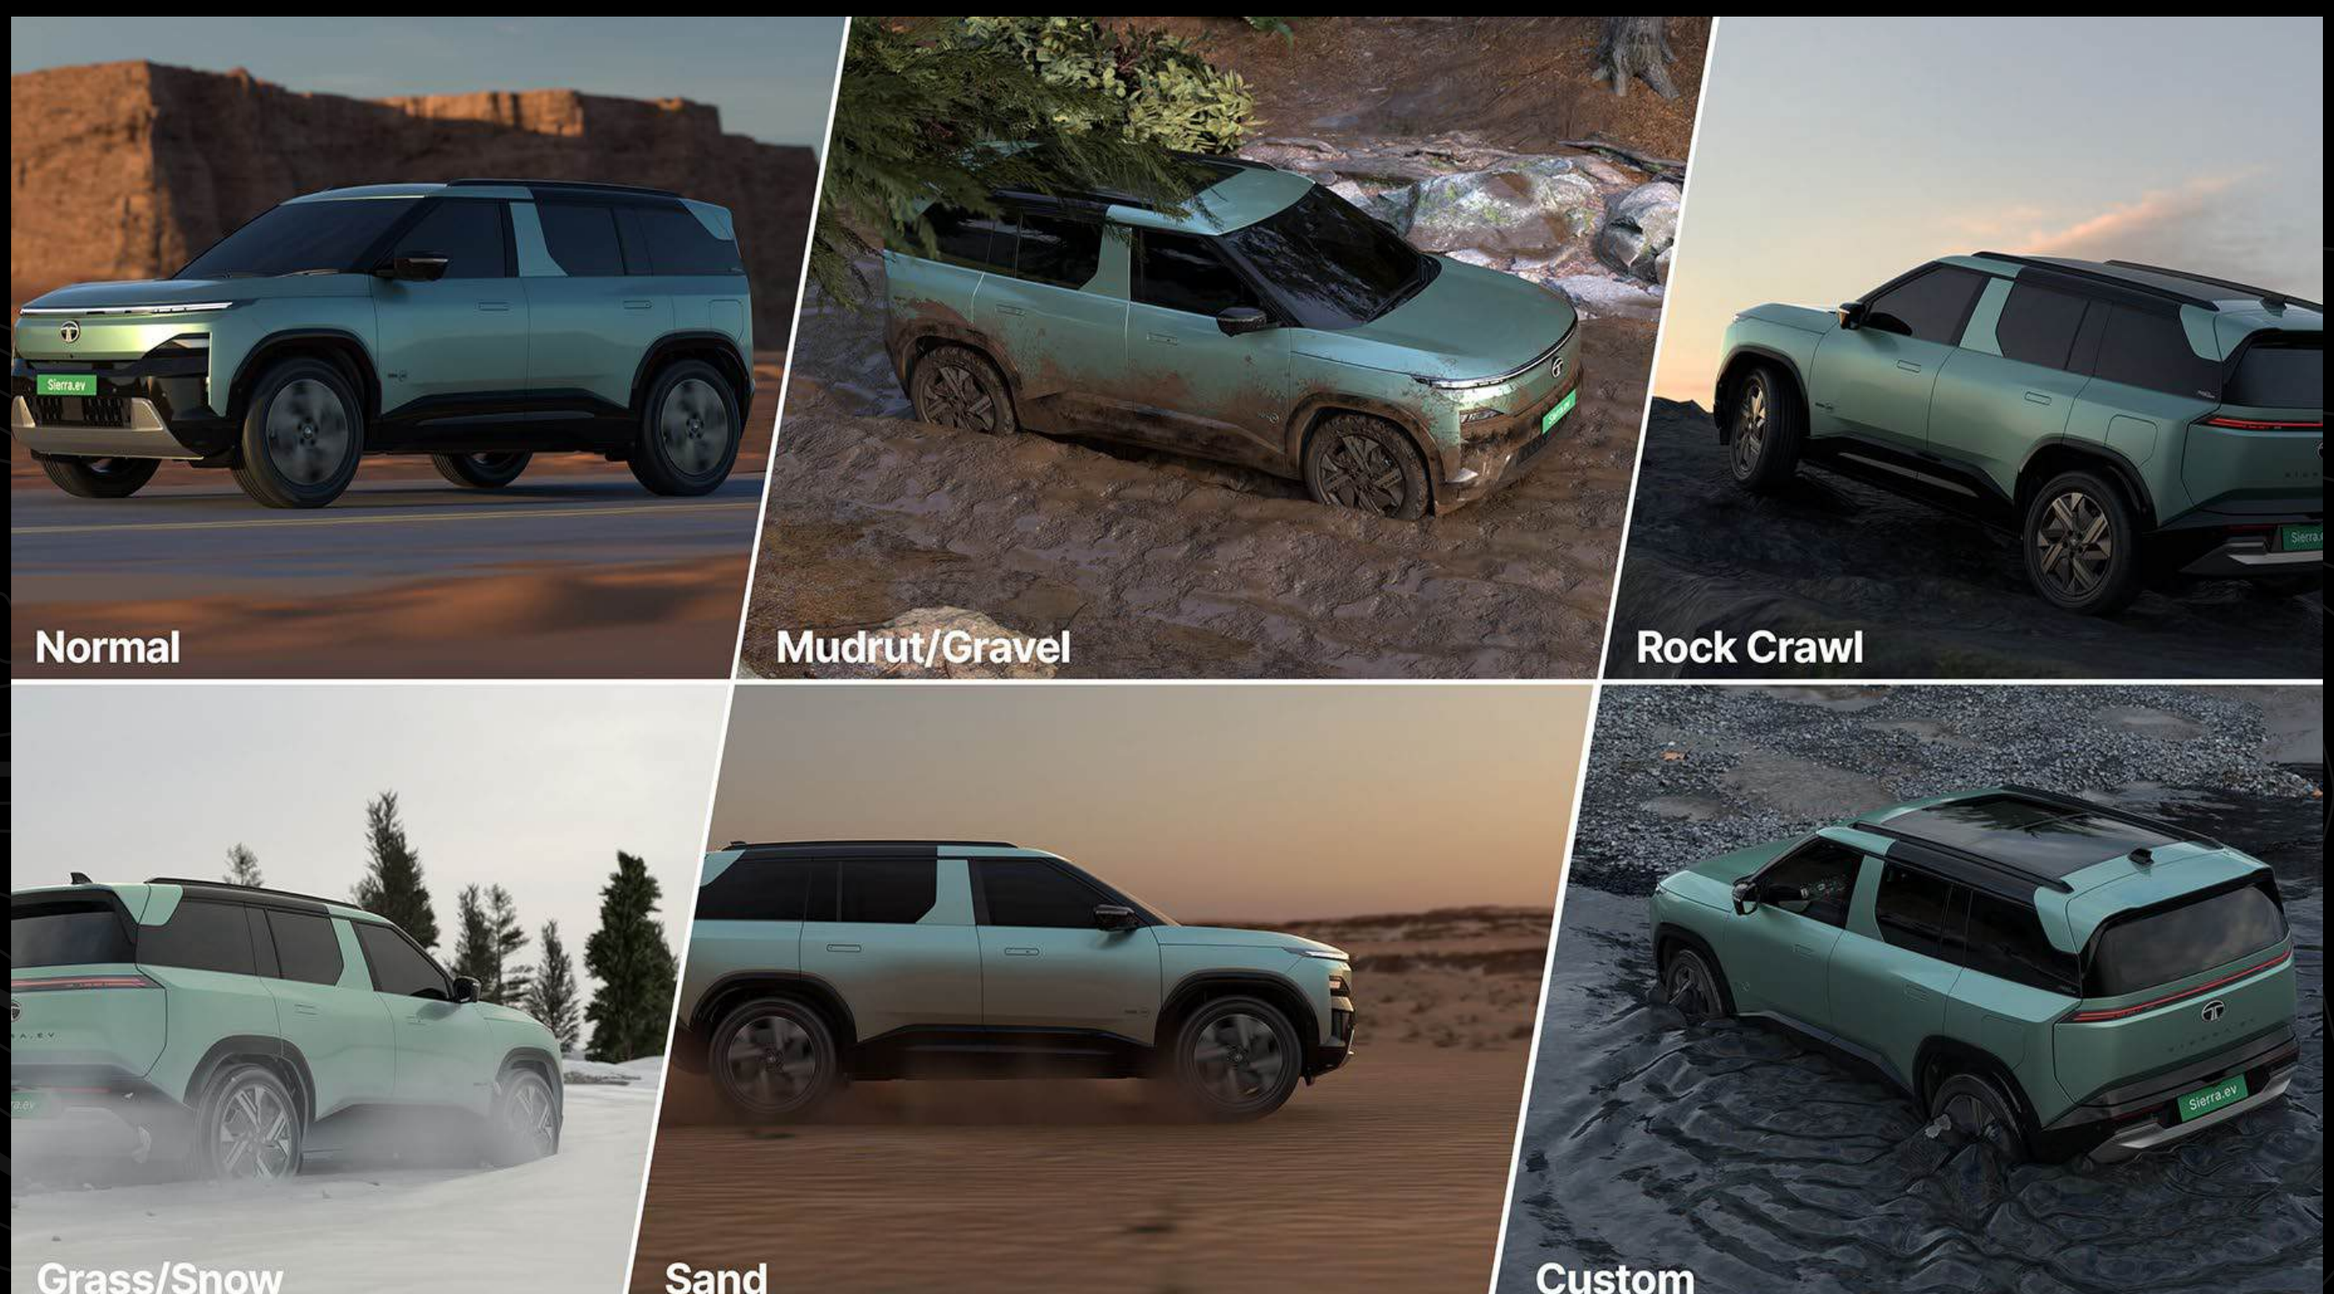
Power surge on demand. Acceleration that surprises - 0-100 kmph in 5.8 secs^

Ultra Glide Suspension

Independent Multi-link rear suspension with frequency dependent damper makes precision handling meet plush ride quality. Feel stable, no matter the surface.

6 Terrain Modes

Sierra.ev rules every terrain with its 6 terrain response modes.
Normal | Grass/Snow |Mudruts/Gravel |Sand | Rock Crawl |Custom



Drive Command Center

Controls centralized. Drive modes, terrain selection, all within reach.

Push Button Start

Ignition with a touch. Modern engagement, zero fumbling.

Drive Modes Switches

Normal, Eco, Sport. Switch driving character instantly.

Terrain Mode Knob

Dial in your terrain. One rotation. Instant mode switching.

Off-road Assist

Enhanced traction and control on challenging terrains.

Defy Gravity with 50%+ Restart Gradeability

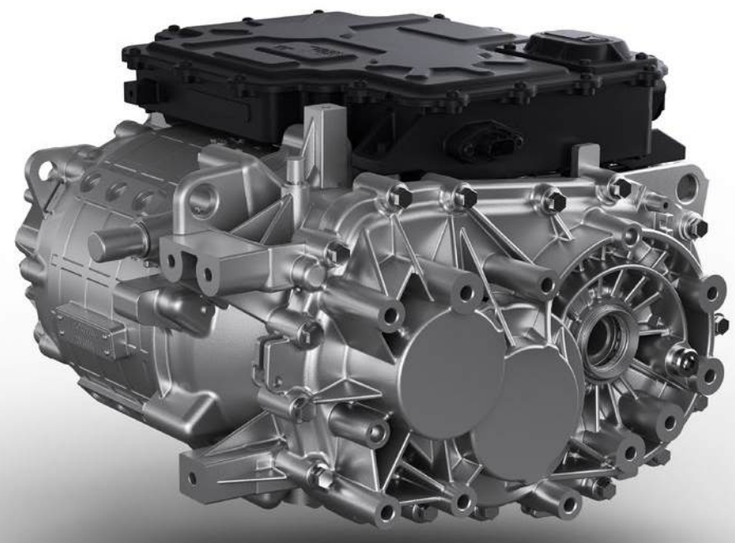
Climb what others can’t. Gravity becomes irrelevant.

High Performance Front Induction Motor with 140 PS Power

140 PS at the front. Intelligent power delivery, precise steering response.

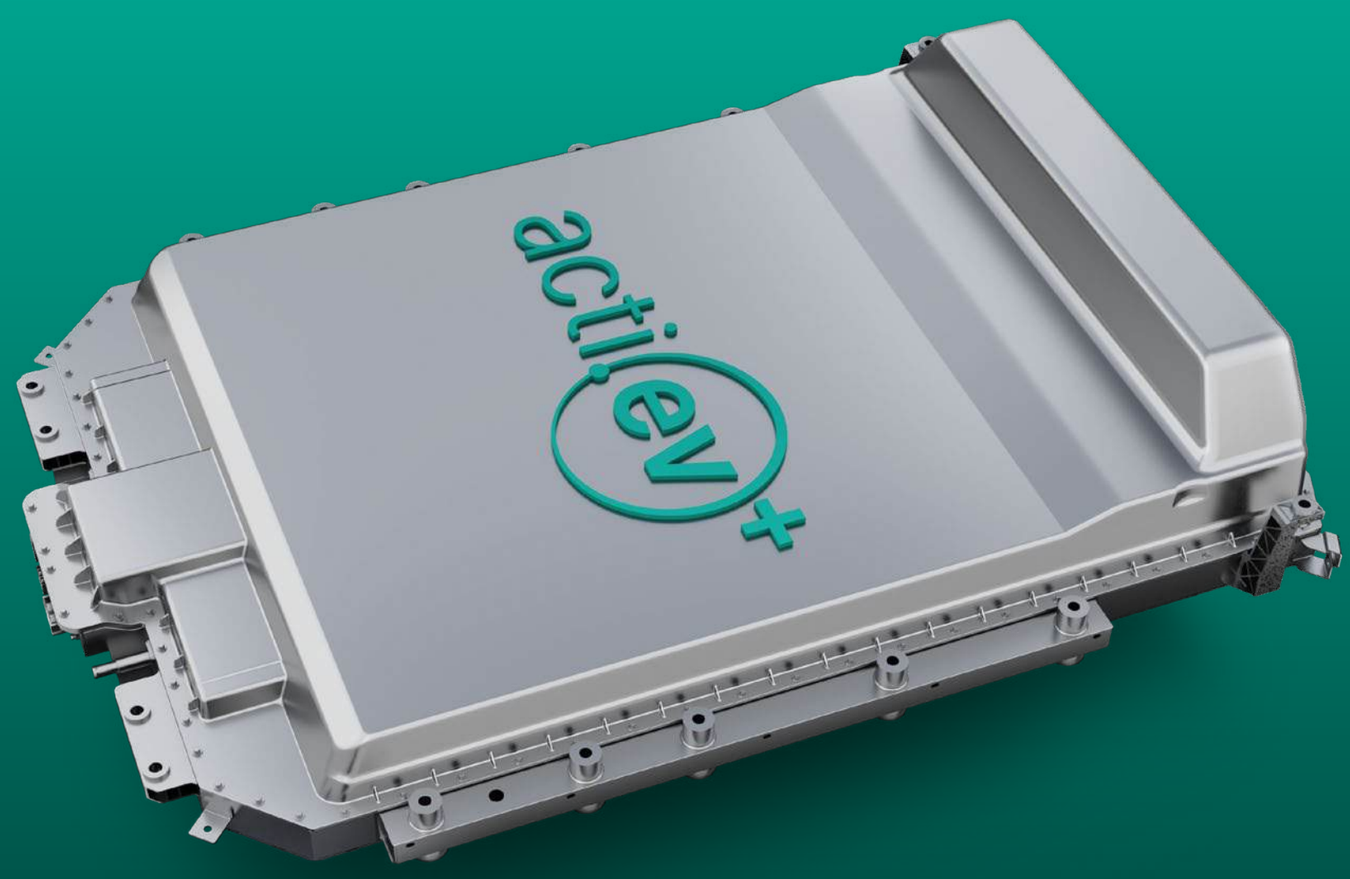
Permanent Magnet Synchronous Rear Motor with 209 PS Power

209 PS from the rear. Power that propels. Unbeatable thrust.



Go Beyond Maps with High-capacity Battery

Powered by a robust 75 kWh battery pack, engineered for both range and resilience.



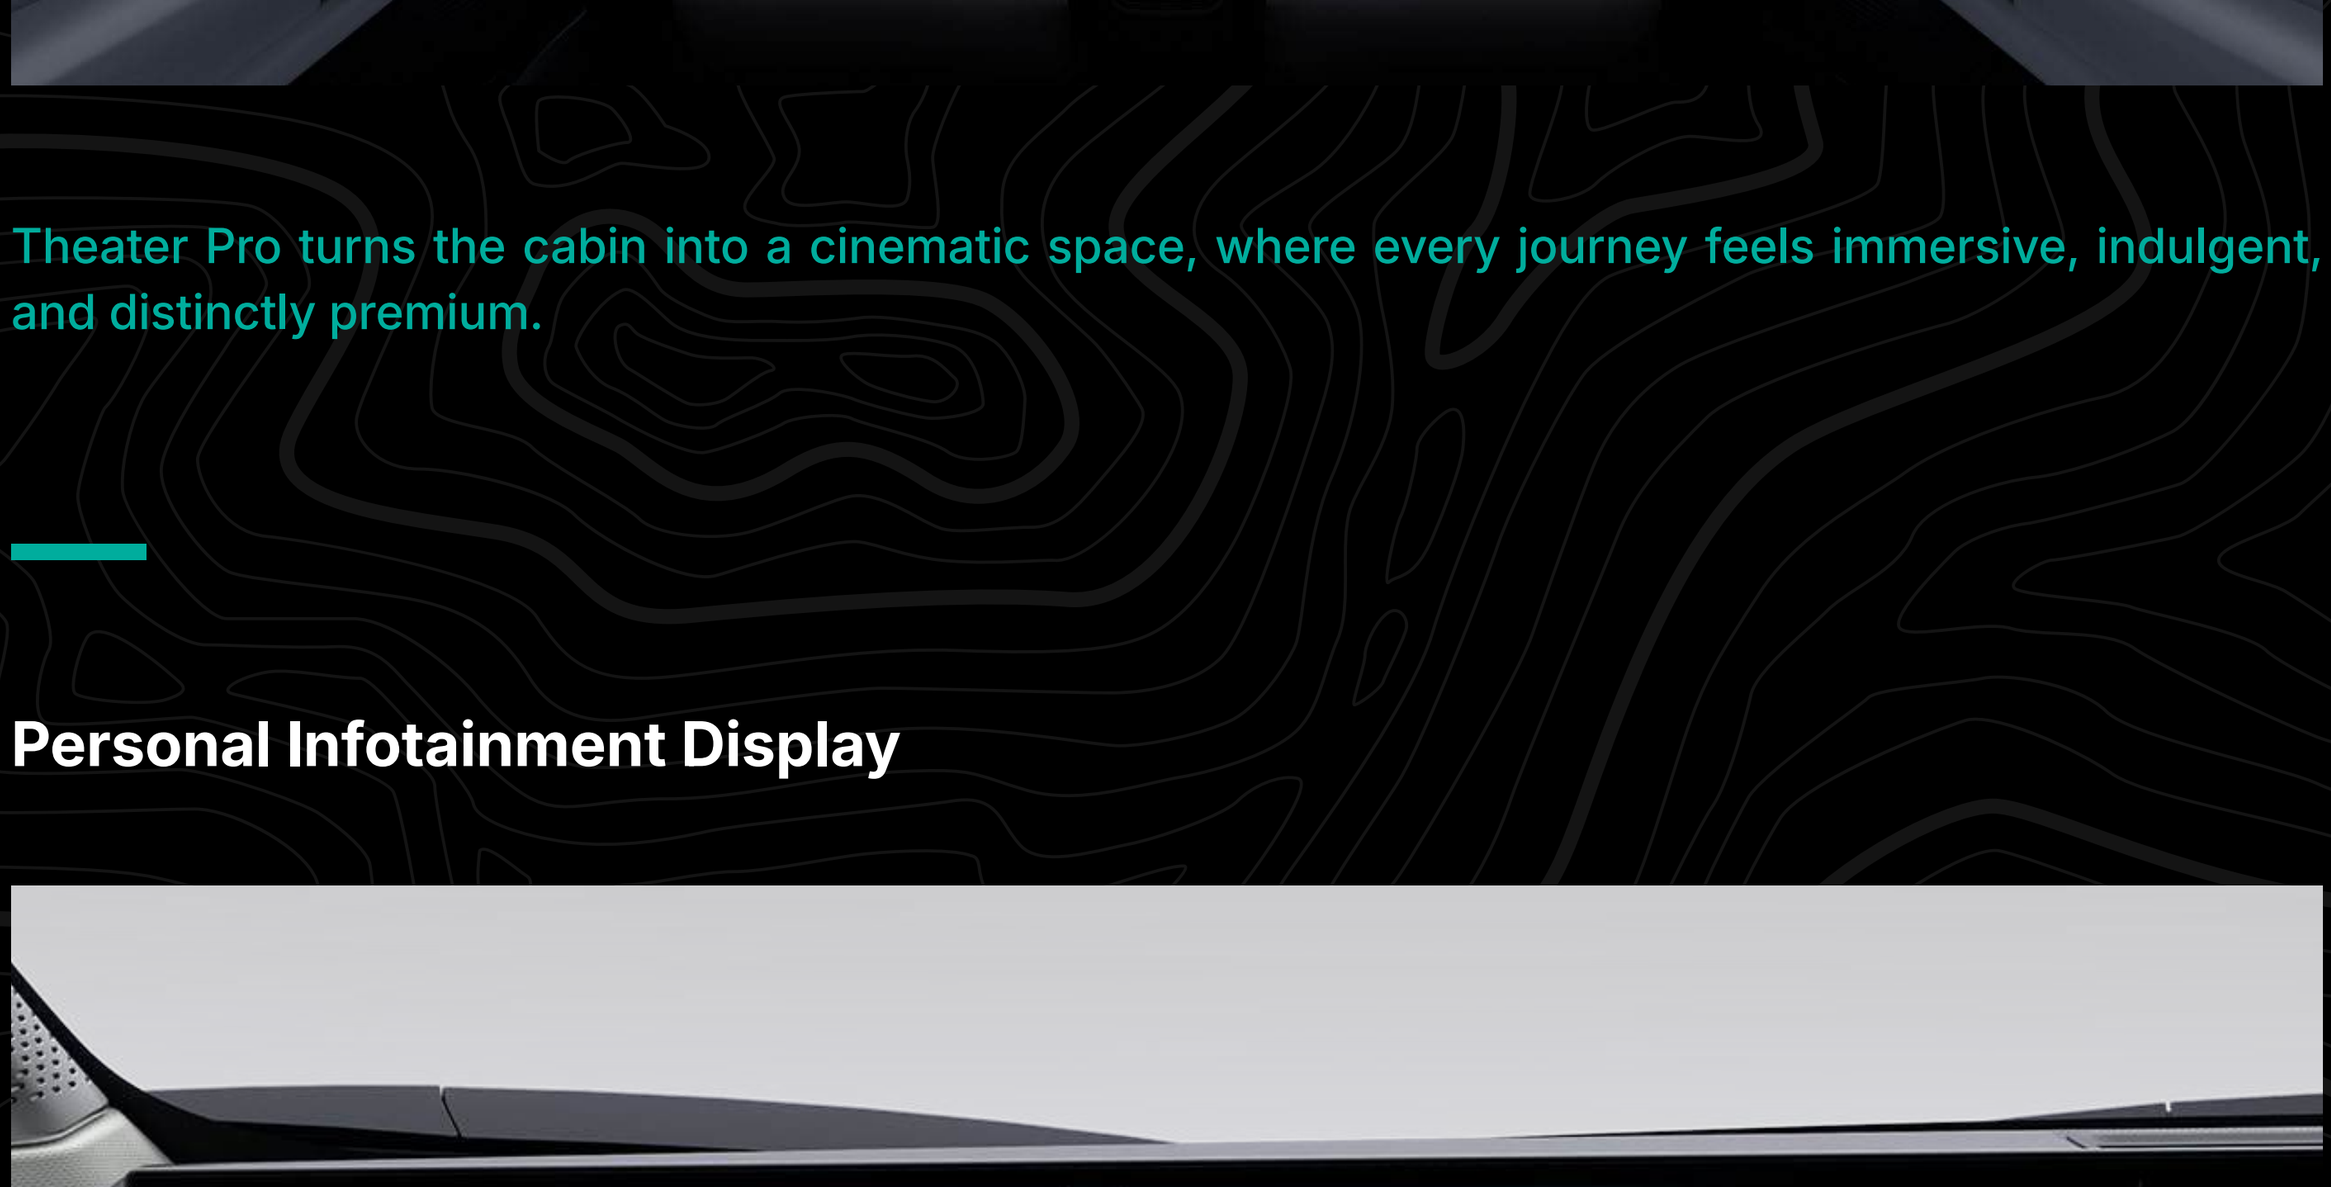
fun hypercharged

Immersive entertainment at your fingertips.
Boredom has no place here.

Theater Pro

Theater Pro turns the cabin into a cinematic space, where every journey feels immersive, indulgent, and distinctly premium.

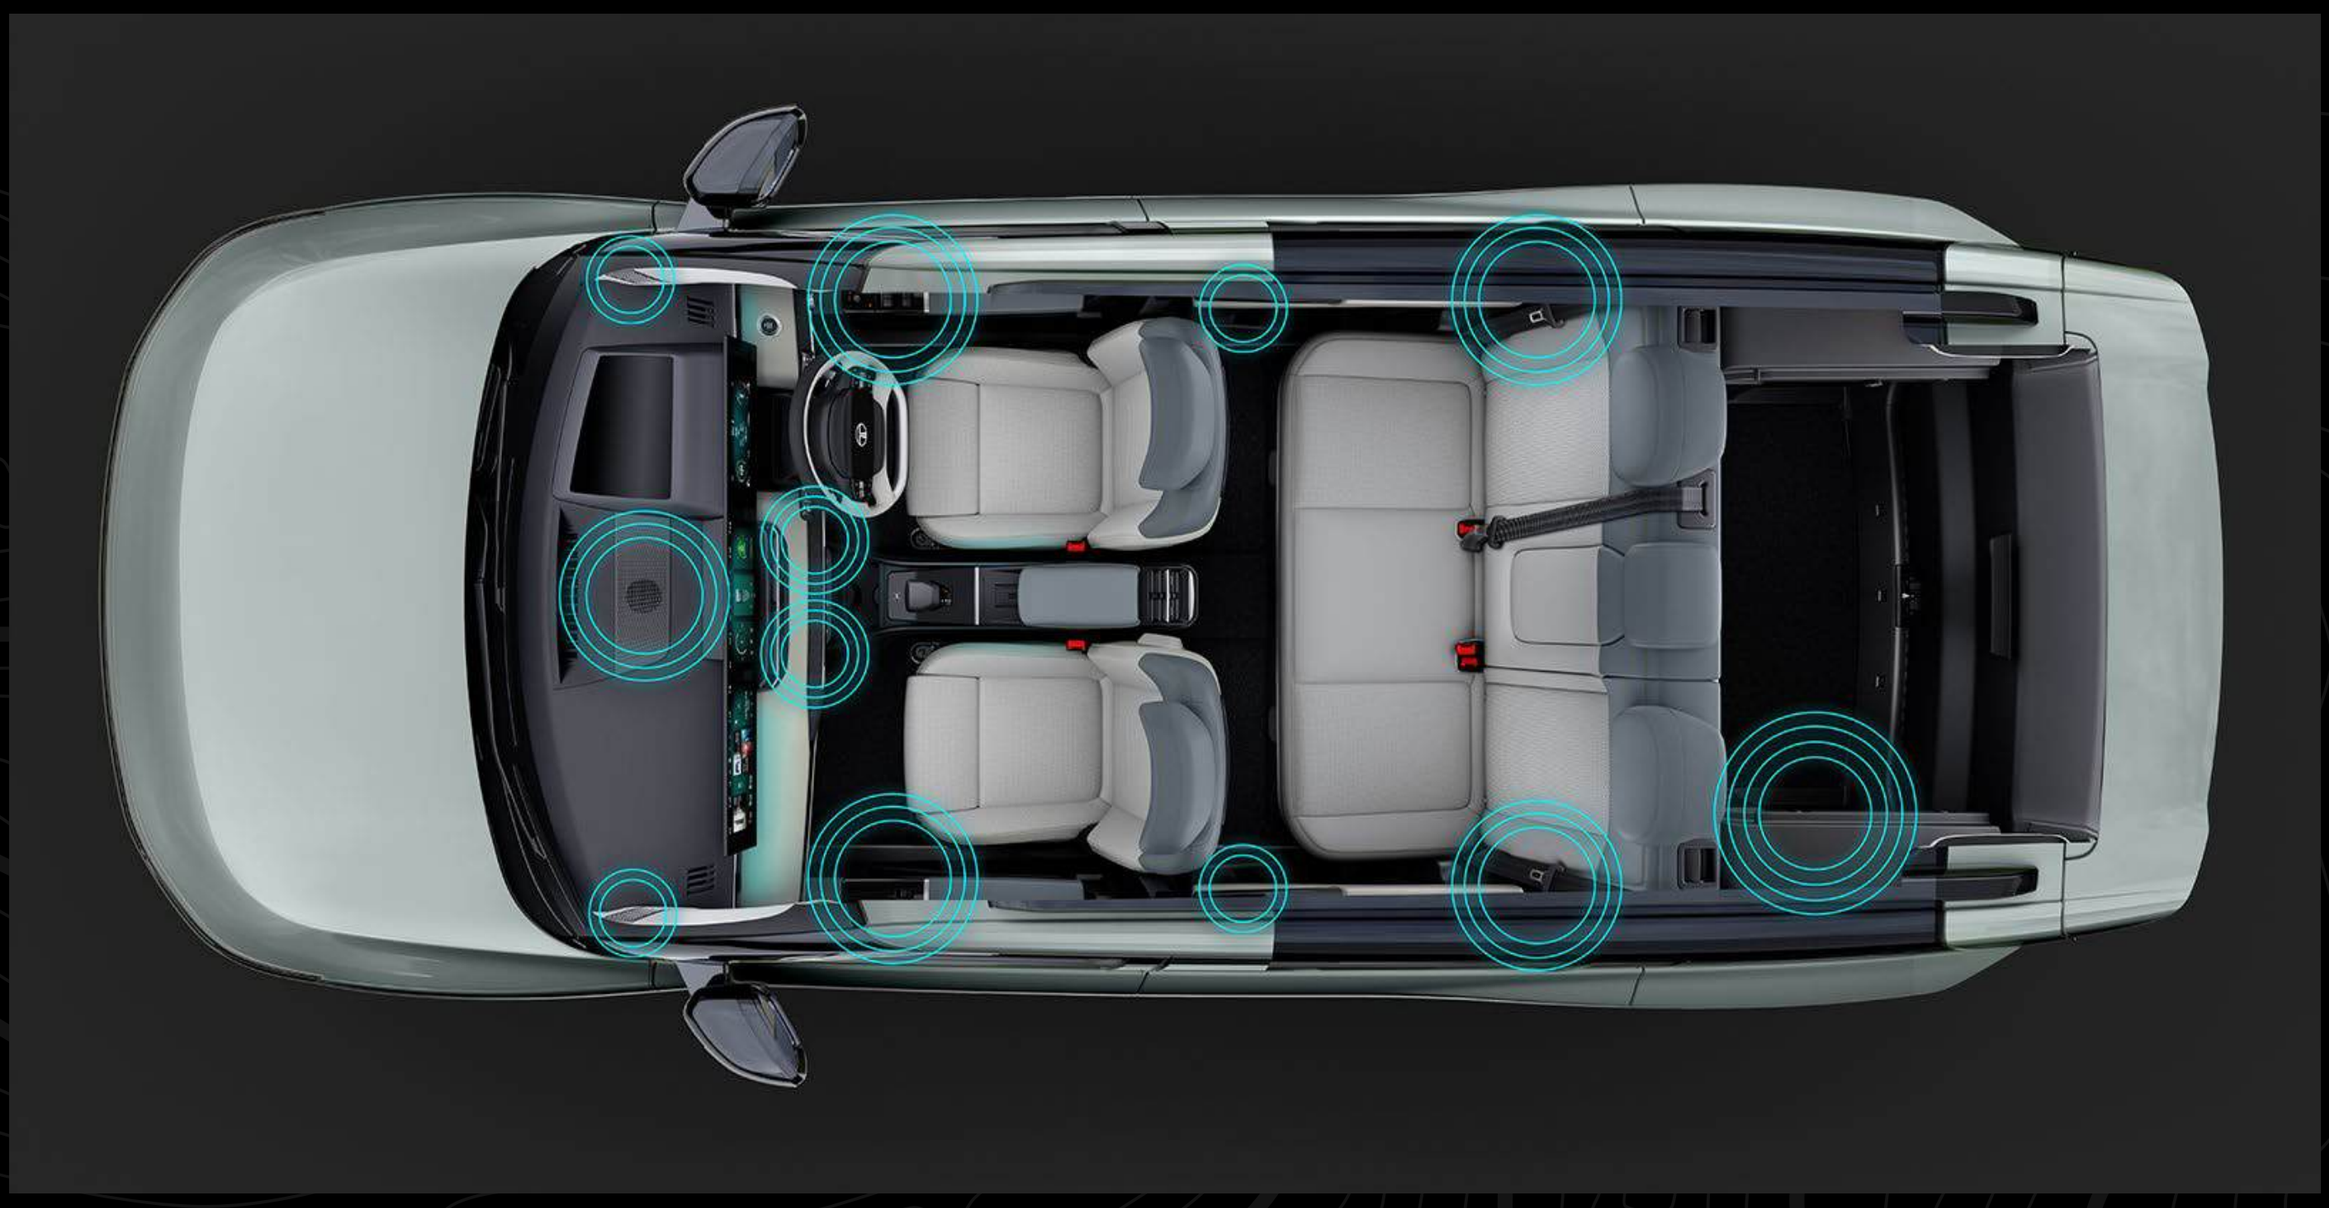
Personal Infotainment Display



Side passengers get their own screen. Entertainment choice at their fingertips.

12 JBL™ Black Speakers with Dolby Atmos

Hear detail from all sides like you're inside the scene.



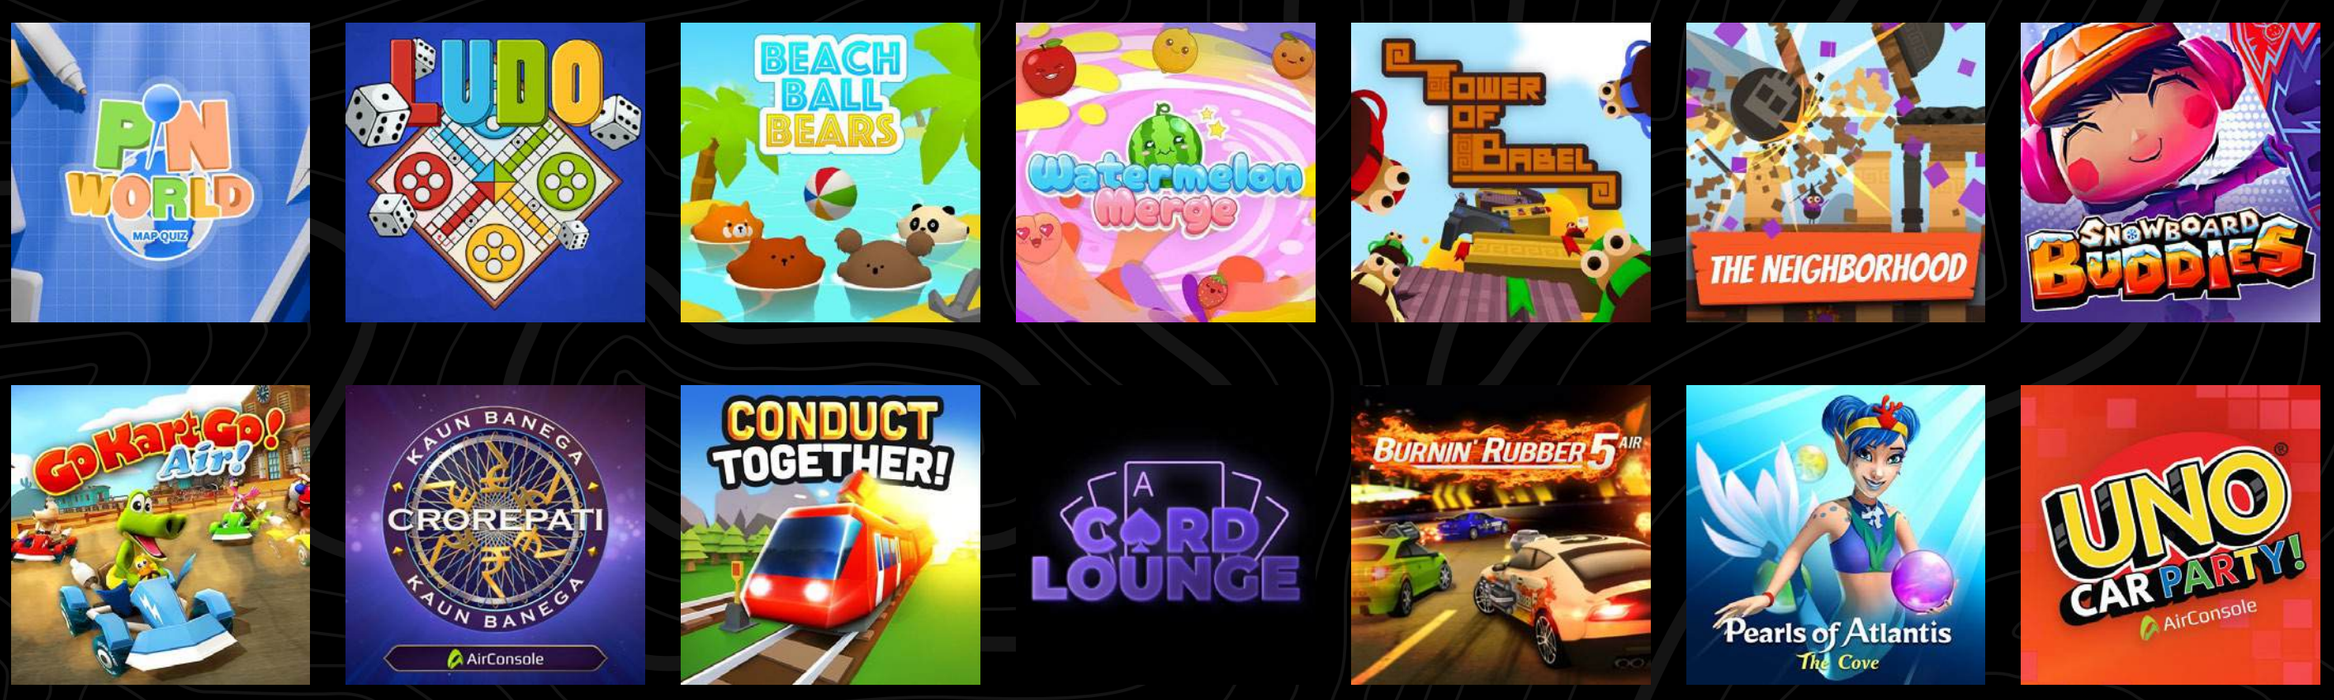
Sonicshaft Soundbar

Crystal clarity throughout the cabin. Every note rendered with precision. Immersive audio mastery.

AirConsole[ΩΣ]

India's first in-car gaming console. Entertainment and gaming at your fingertips. Your cabin, fully powered.

AirConsole



Arcade.ev[~] App Suite

Curated 30+ apps including Airconsole for entertainment, gaming, streaming and browsing from passenger infotainment & Central Infotainment Screens.

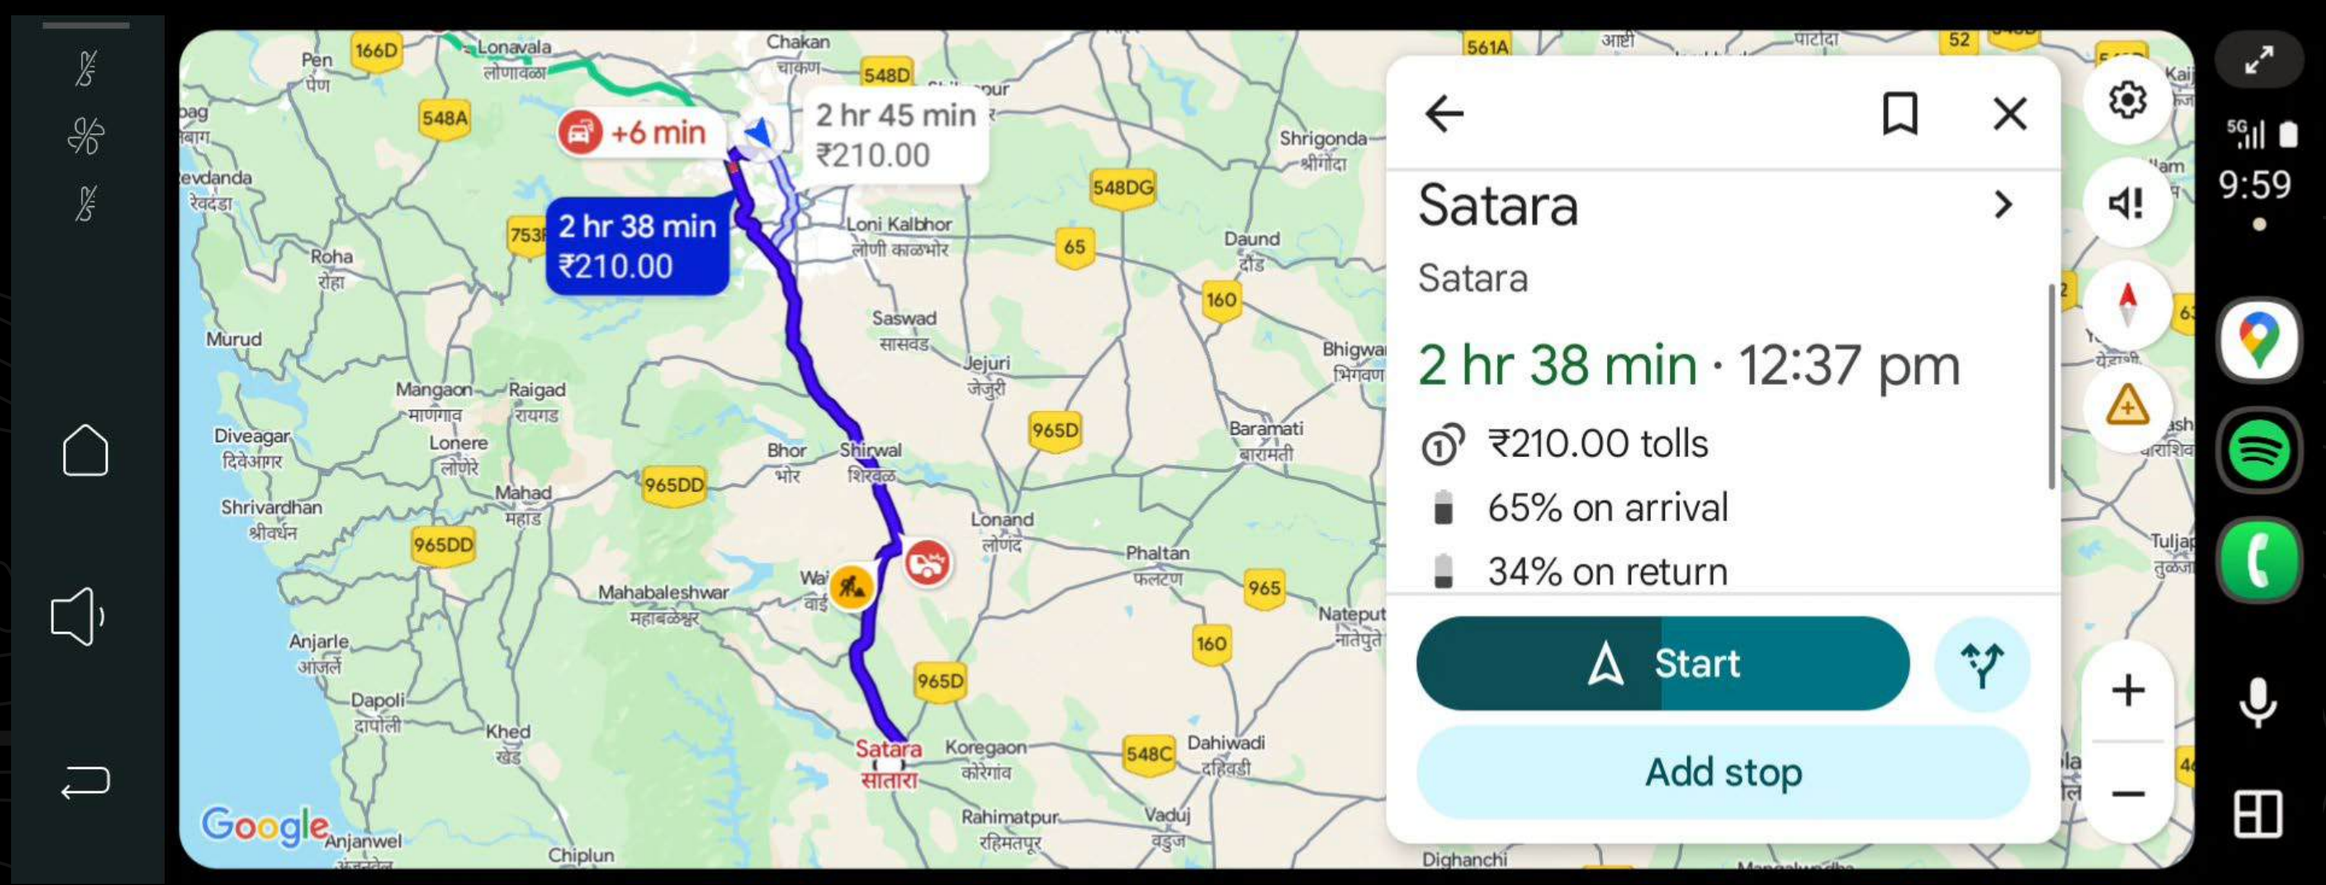
Wireless Android Auto™ & Apple CarPlay™

Both ecosystems work wirelessly. Android and Apple, perfectly integrated.

tech hypercharged

Technology should know when to step in.
And when to stay out of the way.

EV Route Planner for Android Auto™



First vehicle in India to introduce EV Route Planner. Know your battery percentage upon arrival before leaving. Pure EV intelligence.

iRA.ev## Connected Suite

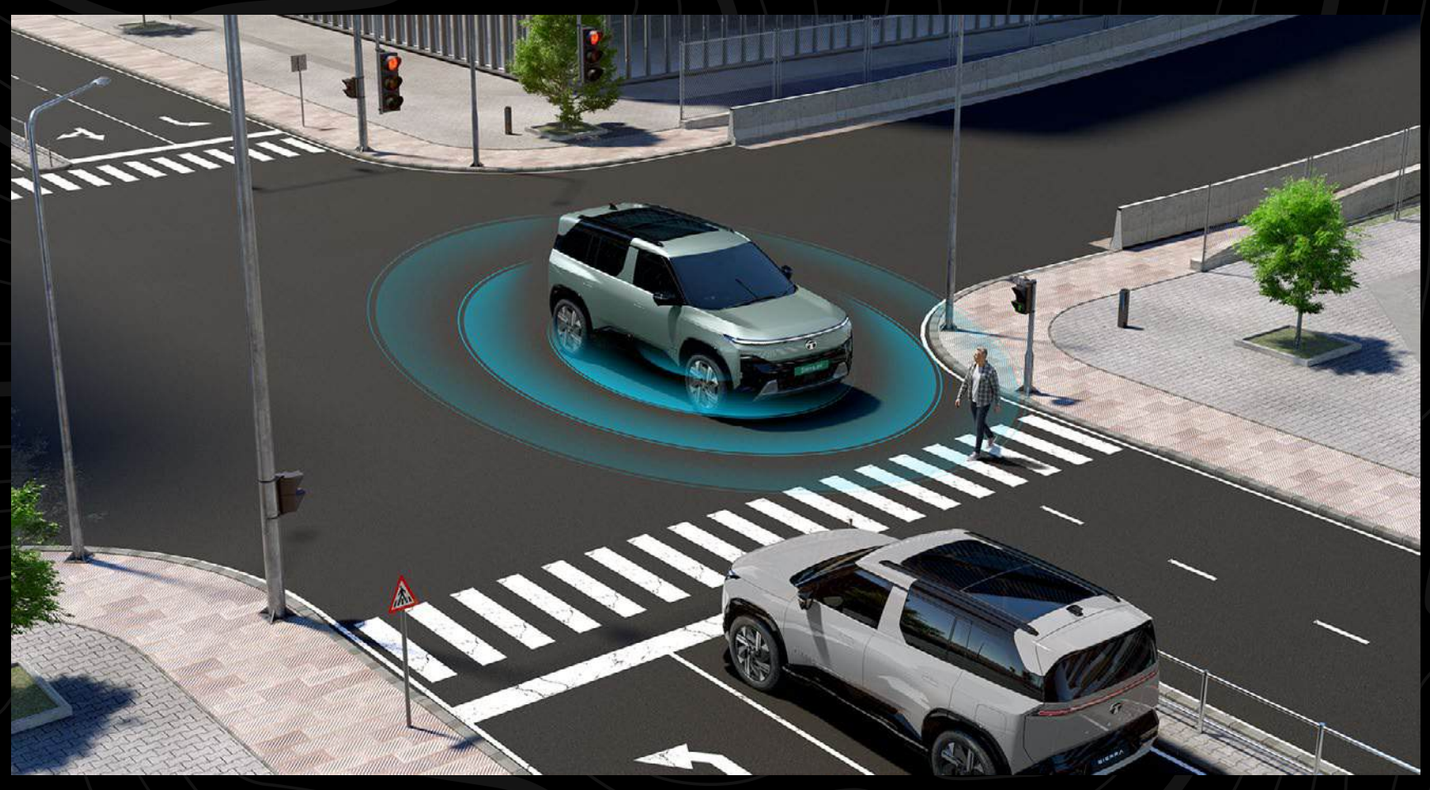
iRA.ev## gives you smart control through your phone. With 70 features, Lock/unlock, charge, plan your trips and get OTA updates with 4 years of complimentary subscription. Vehicle improves over time. Software updates downloaded silently.

In-built Navigation with MAPPLS[θ]

Avoids congestion before you hit it. Saves time on every drive.

DrivePay[η]

Make payments on the go - right from your car's screen with voice navigation.

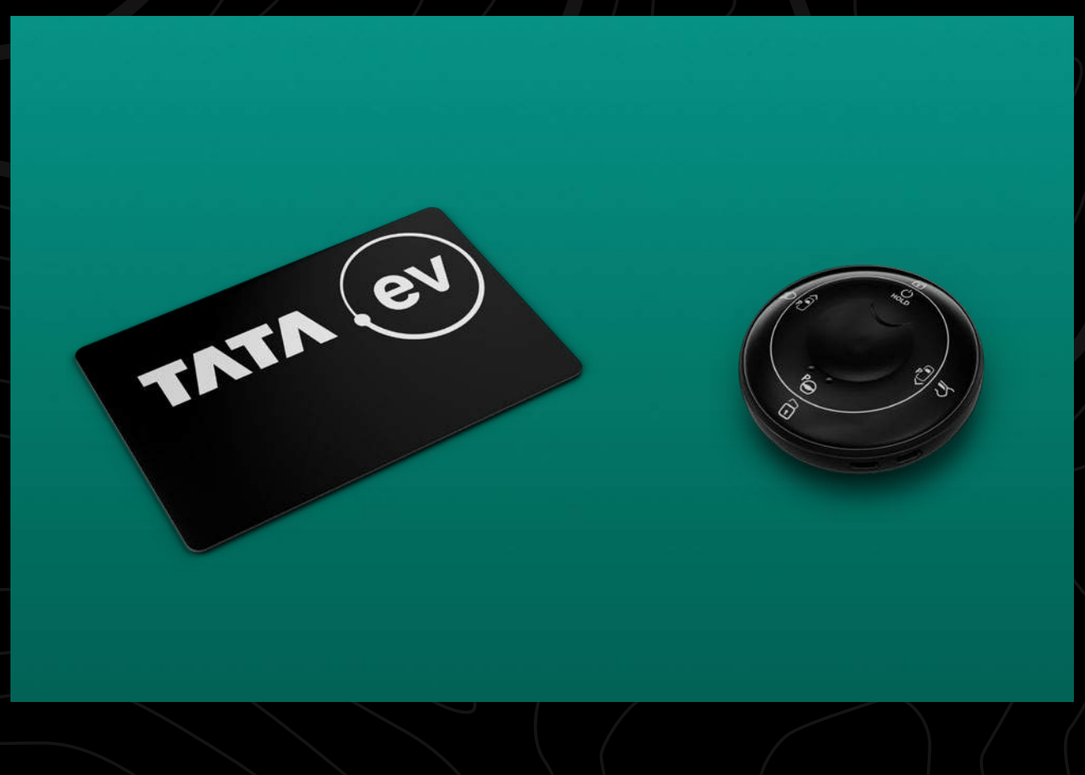


AVAS (Acoustic Vehicle Alerting System)[Φ]

Pedestrian protection through acoustic intelligence. AVAS sounds your arrival. Safety by design.

Digi Access[ι]

Make your presence felt, with Proximity based lock and unlock through Digi Access.



Use your smart Keyfob or smartphone to lock, unlock, park, summon or start your car powered by ultra-wideband (UWB)

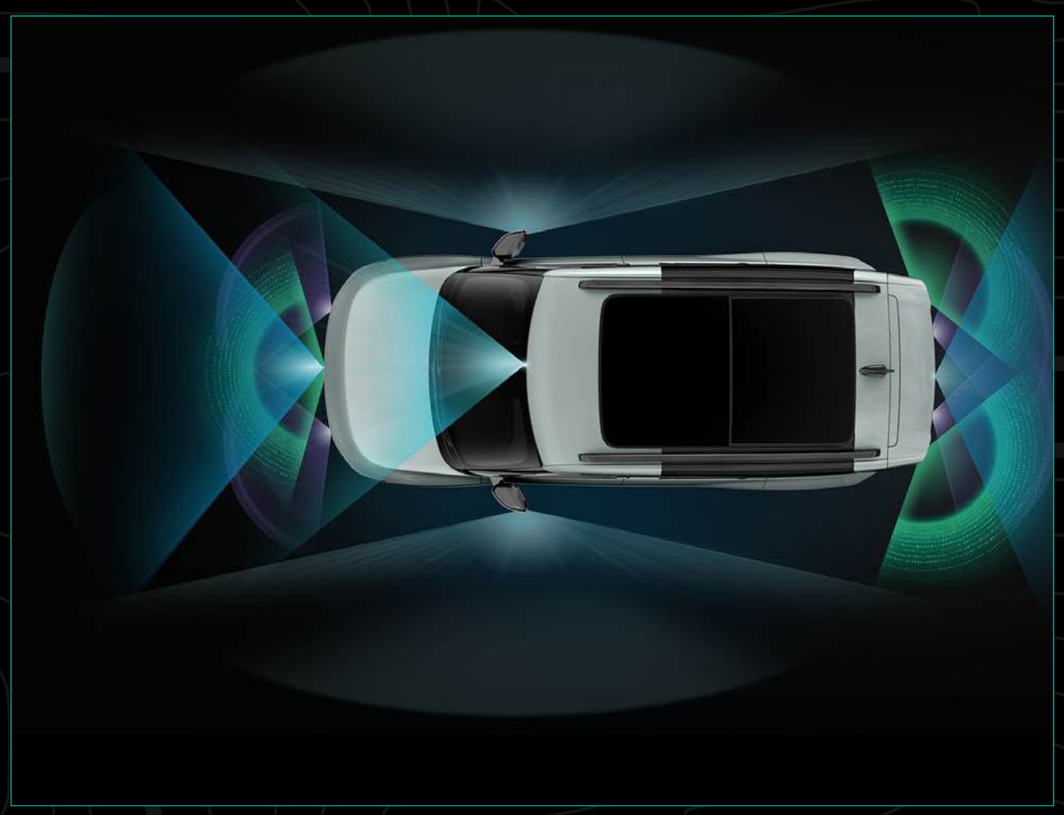
- Digital key
- Smart card
- Remote key

confidence — hypercharged

Confidence changes the way you drive. Sierra.ev gives you more of it.

540° Surround View[δ] with Adaptive Front & Rear Turn Camera

Get complete visual command with a 360° HD camera and transparent mode. With transparent mode see what's under the car.



L2+ ADAS[Δ] with ISA

The L2+ ADAS suite, enhanced with Intelligent Speed Assist (ISA), offers 22 advanced driver assistance features.

360 SVS with 4Sight Blind Spot

Vehicles approaching from any angle appear instantly. Situational awareness amplified.

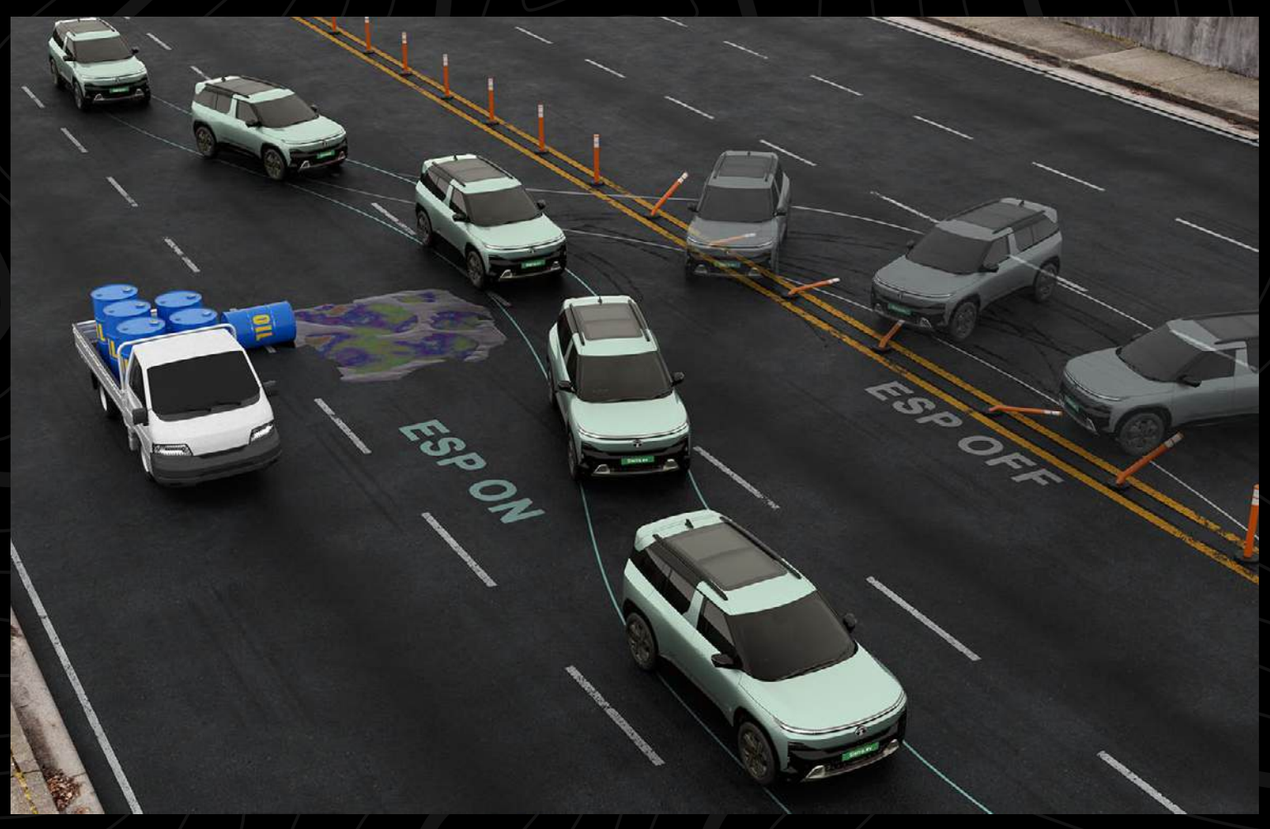
Safety Sphere

6 Airbags

Layers of protection. From airbags to electronic stability, engineered in.

Electronic Stabilty Program (ESP)

Traction mastery with 20 safety features. Vehicle stays planted. Control remains yours, always.



ISOFIX

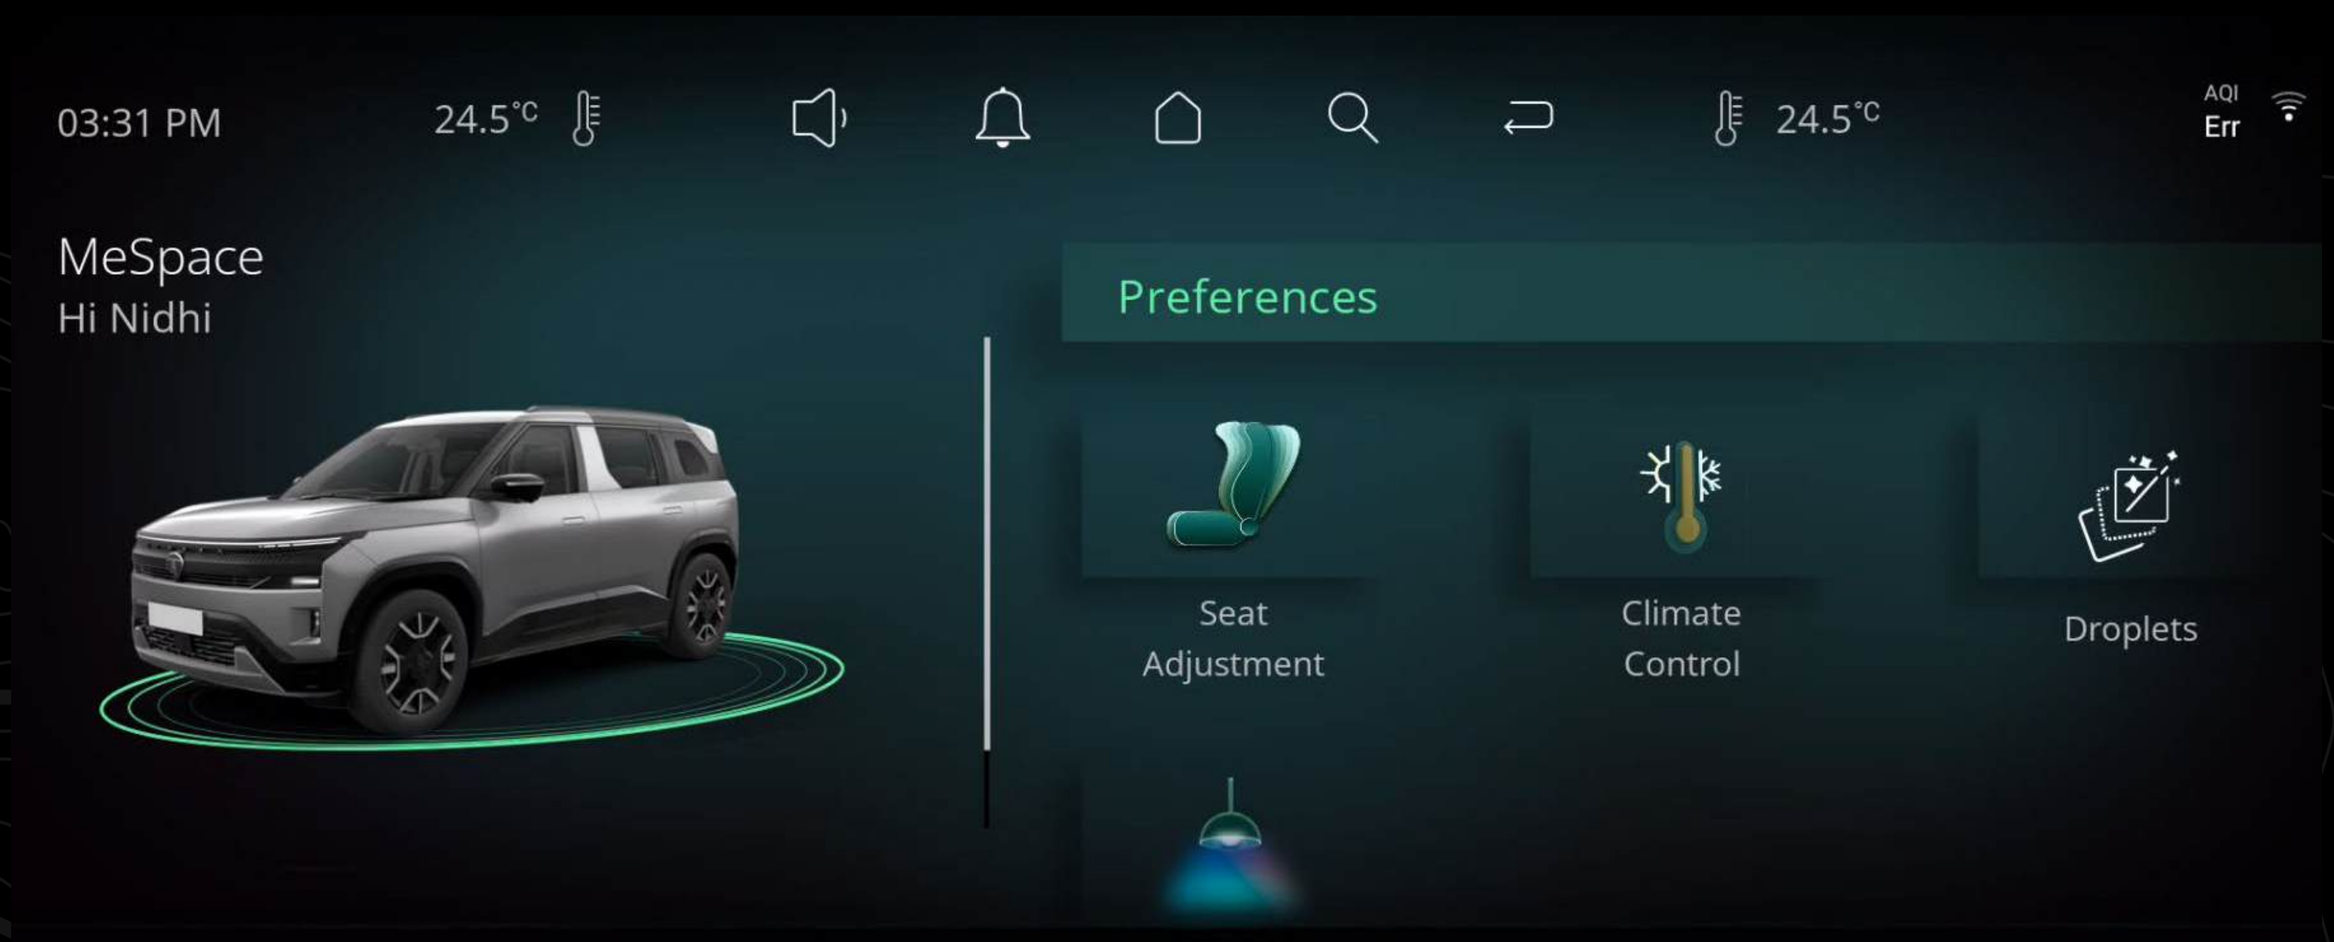
Child seat installation takes seconds. Click and lock. Done.

life —
hypercharged

Cabin engineered for you. Every moment elevated. Pure interior mastery.

MeSpace: Driver Profile Personalization

Your profile saves everything. Preferences, settings, even favorite routes.



Front Frunk Storage

Extra capacity up front. Haul more without sacrificing cabin space.

Smart Front Seat Back Pockets

Everything you need stays close.

Centre Console

Organized center storage.
Easy access, clean design.

Door Bottle Holders

Safe cup placement. Always accessible.

Umbrella Holder

Dedicated slot for umbrellas.
Thoughtful design for rainy days.

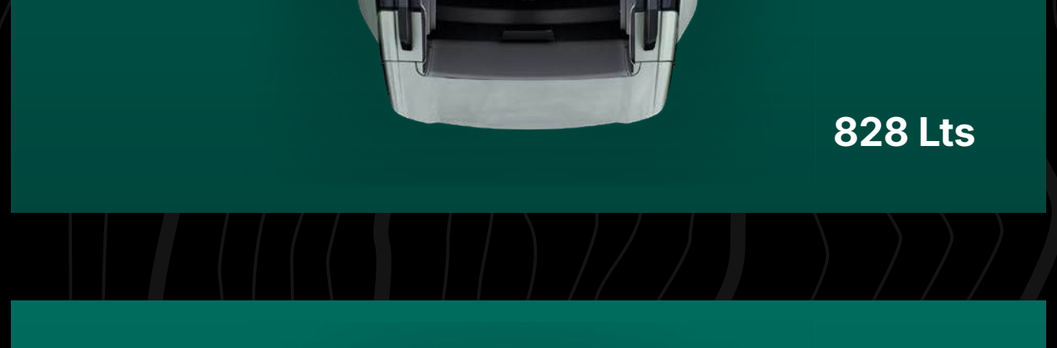
Wireless Charger

Inductive charging. Your devices power up instantly, effortlessly.

Bootspace expandable upto 1257 Lts[ΔΔΔ]

Spacious, flexible, and ready to accommodate your every plan.

622 Lts



828 Lts

1051 Lts

1257 Lts

Illuminated Ring on Charging Bowl

See your charge status at a glance. No guessing. No checking your phone.

range hypercharged

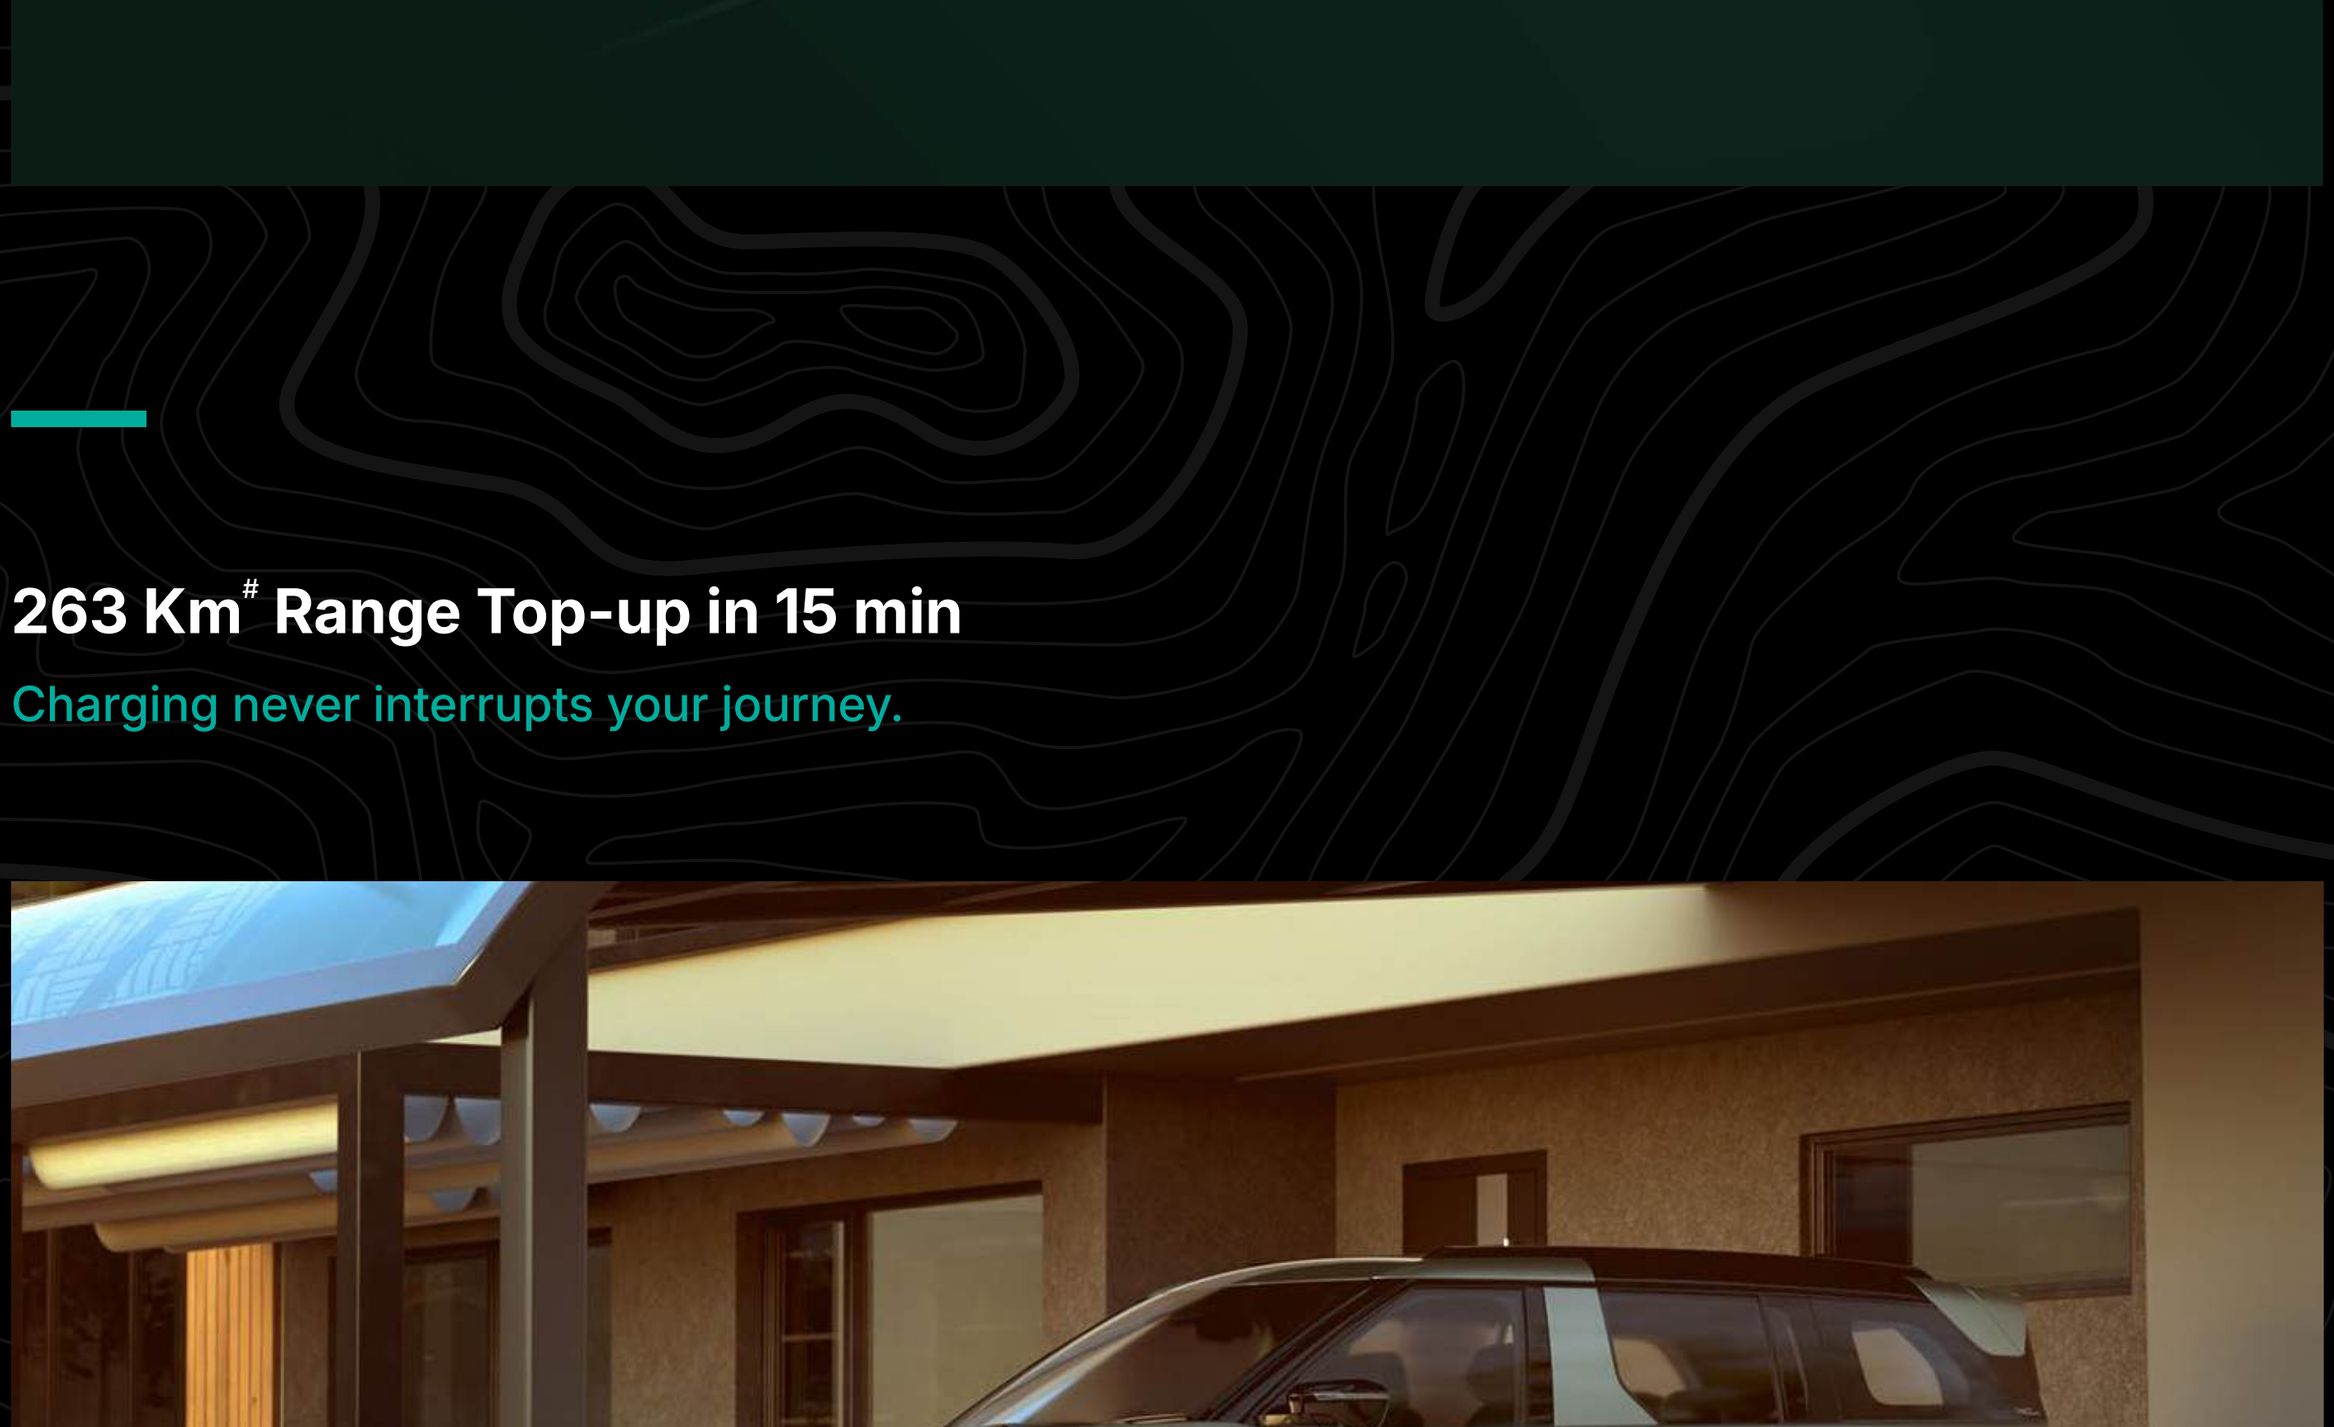
Freedom looks different when nothing is asking you to turn back.

665 Km# Long Range

Designed for effortless long distance touring, the advanced 75kWh battery pack delivers 665 km range, unlocking greater freedom with every drive.

263 Km# Range Top-up in 15 min

Charging never interrupts your journey.



USB C+C 65W Front & Rear Charger With Multimedia

Fast charging at both ends of the cabin. Multimedia streams while devices charge. No one runs out of power.

Vehicle to Load (V2L)***

Power flows outward. Charge your devices wherever you park.

Vehicle to Vehicle (V2V)^^^

Share power with V2V charging.
